KONGUNADU ARTS AND SCIENCE COLLEGE

(Autonomous)

Coimbatore – 641 029

DEPARTMENT OF COMPUTER SCIENCE (UG)

Department Activity for the Academic Year 2017-2018

1.Seminar on Positive Thinking and Screening of short films

Inauguration function of department computer science was held on 10.08.2017 at 10.00 am at conference hall. The inauguration function started with the prayer song by our students and lighting of ceremonial lamp by the dignitaries. Shivani of III Computer Science welcomed the gathering. Our principal Dr.V.Balasubramaniam presided over the function and the CEO Dr.V.Chinnusamy inaugurated the function.

Screening of short films started with displaying an "**Audio Visual**" about our college. The topics given for the short film were **farmers**, **social media** and **water conservation** for I year, II year and III year respectively. All the short films were screened in front of the audience and best film from each year were selected.

The prizes were distributed to the winners by our CEO sir and staff members. Kiruthik of II Computer Science proposed the vote of thanks. Finally the day ended with National Anthem.

2.Seminar on BIG DATA

The Department of Computer Science [SF] organized a Workshop on "BIG DATA"on 31.08.2017. **Mr.N.PRASANTH**, Software Developer, Uniq Technologies, Coimbatore was the resource person. All third year students were benefited by the workshop and gained practical knowledge for carrying over their final year project.

3.Seminar on "IoT & Embedded connectivity"

The Department of Computer Science [SF] organized a Seminar on "IoT & Embedded connectivity"on 15.09.17. **Mr.S.BALA,** Technical Head, Apex Integrated System, Coimbatore was the resource person.

Today, IoT is one of the hottest topics of the industry and has taken its place in conventional business. IoT for embedded systems is more about collecting and analyzing large amount of data from different perspectives and summarizing it into useful information to improve the way services and devices are used today.

All the students of computer science participated in the seminar and got benefited out of it.

4.Seminar on "Python Programming"

The Department of Computer Science [SF] organized a Seminar on "Python Programming" on 25.09.17. **Mr.G.Sabarinathan,** Senior Programmer, Gateway Software Solutions, Coimbatore was the resource person. All the Second Year students of computer science participated in the seminar.

Many organizations are using Python these days to perform major tasks. The seminar on Python Programming was very useful for the students. They got some idea about the basics of Python. This inspired the students to choose Python programming in their final year projects.

5.Seminar on "PHP"

The Department of Computer Science [SF] organized a Seminar on "PHP"on 29.01.18 at 10.30 am. **Mr.K.Ramkumar,** Project Manager, Synovers, Coimbatore was the resource person. All the Second and Third Year students of computer science participated in the seminar.

Many organizations are using PHP these days to perform major tasks. The seminar on PHP Programming was extremely valuable for the students. They got some idea about the essentials of PHP. This inspired the students to choose PHP programming in their final year projects.

6.Guest Lecture on "Man Making Education"

The Department of Computer Science, Computer Technology and Information Technology organized a Guest Lecture on "Man Making Education" on 12.02.2018. Mr. M. Vivek Prabhu, Assistant Professor in Mathematics, Kongunadu Arts and Science College delivered a lecture on "Man Making Education". He taught the students about Vivekananda and his biography. He also insisted about being ethical in real life. Mr. Riyas of I B.Sc CT welcomed

the gathering and Mr. Serif of I B.Sc CT introduced the Chief Guest. Dr.M. Revathi bala, CEO i/c addressed the students. Ms. Nithya of I B.Sc CT proposed the vote of thanks.
