"LEADERSHIP SESSION AND INDUSTRIAL VISIT"

The III Year BBACA students participated in a Leadership Development Session at Vivekananda Institute of Management Studies (VIMS), Coimbatore, followed by an Industrial Visit to Roots Industries, Coimbatore, on 21.07.2026.

The leadership session provided valuable insights into leadership qualities, teamwork, communication, and professional development. During the industrial visit, students gained practical exposure to manufacturing processes, modern industrial practices, and organizational operations. The programme helped bridge the gap between classroom learning and industry expectations while enhancing the students' knowledge and career awareness.
