Report

Department Association "**PRUDENCE**" was inaugurated on 29.07.2024. The Event hadan auspicious start with a prayer song, delivered by students of I- BCA. Following this, Yamini from III BCA (Additional) has given the warm and heartfelt welcomeaddress and Sakthi veronica J E from III BCA (Main)introduced the esteemed guest for the occasion. Counselling and Awareness program of Technical Abuse was delivered by Mrs.B. Kavitha, Associate Professor and Head, Department of Psychology, KASC, Coimbatore. She gave a clear introduction about technical abuse and its causes like stress, anxiety and depression.

Our modern world is characterized by increasing connectivity and technology use.

Theparticipants enthusiastically attended the session, and asked queries and doubts to the resource persons regarding UG Programmes and how to update the skills.

The resource Persons has given a good clarity to the students for their Paths Forward.

The Department of Computer Applications has organized an Association Inauguration – PRUDENCE along with an invited talk on "Councelling & Awareness of Technological Abuse"" on 29.07.24 between 12.00 PM to 1:00 PM, at Niveditha Hall. Around 315 students got benefited. The Inaugural function started with a prayer song by students of I- BCA, Ms.J.E. Shakthi Veronica from III BCA(M) welcomed the gathering. Dr.K. Sumangala, Associate Professor & Head, Department of Computer Application introduced the resource person. Dr.L. Vidya Rani, IQAC Coordinator & Assistant Professor, Department of Mathematics, Kongunadu Arts and Science College, explained the importance of mathematics in the field of computer science. She also explained the history, ancient mathematics and its growth. She addressed that Math is a fundamental tool in computer science, providing a way of understanding and describing complex systems and powerful problem-solving techniques. Mathematical concepts

such as algorithms, data structures, and formal logic are essential for developing efficient, correct, and reliable software.

We received good response from the audience and also they gave very good feedback. The resource person thanked the organizers for arranging the programme. Around 250 students and 6 faculty members from Computer Applications department were participated and benefitted through this session. At the end of the programme, Ms. Malathi II BCA(A) delivered the vote of thanks. She thanked the Resource Person, Management, Director Kongunadu Arts and Science College (Autonomous), Faculty members, participants and other officials for their active support for making the programme to be successful.
