Venue: Eklavya Model Residential School, Ooty.

Date: 23.12.2025

An Awareness Program for Career Guidance and Higher Education was successfully organized by the **Department of Computer Applications** and the **Department of Computer Technology**, **Kongunadu Arts and Science College (Autonomous)**, Coimbatore, in collaboration with **KASC – Centre for Tribal Studies & Welfare**, as part of the celebration of **Jan Jatiya Gaurav Diwas**.

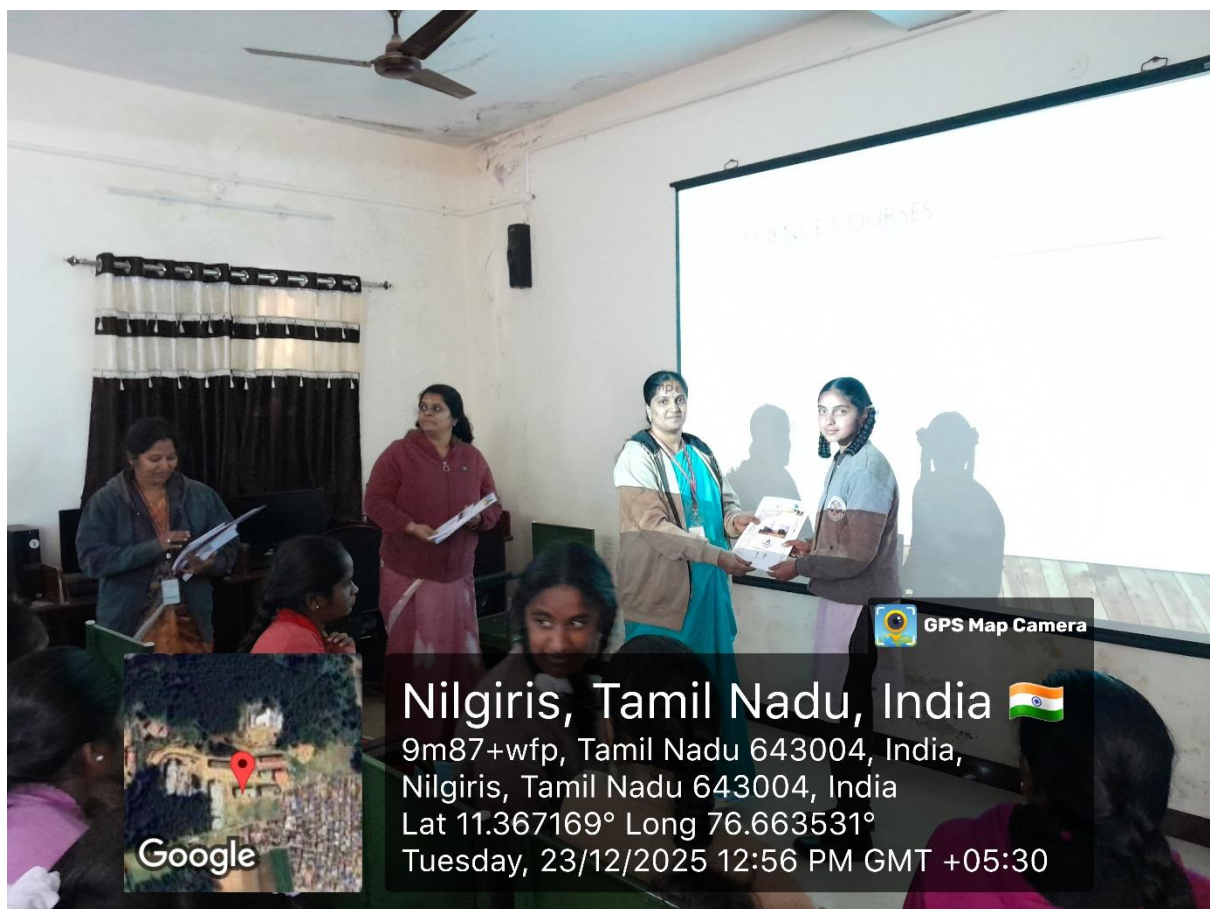

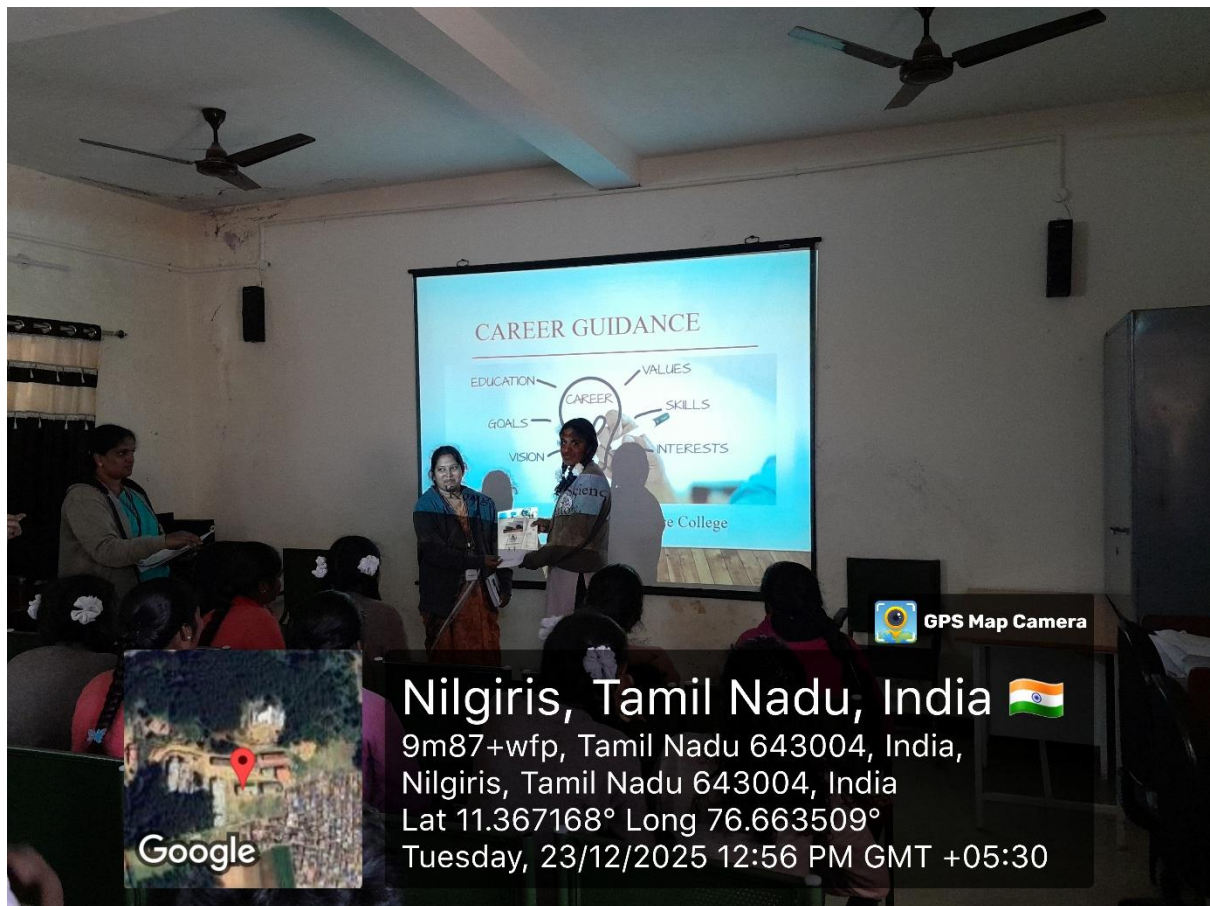

Mr.G.Kannadasan D.TEd., MA., MA., B.Ed., Head Master welcomed all. **Dr. M. Suganthi MCA., M.Phil., Ph.D**, staff of KASC, presented a PPT in the EMR Computer Lab. **B.Praveen**, School Computer Instructor, was very helpful to us throughout the program. 40 Students participated in the program.

They emphasized the need and motivated tribal students to pursue higher education for better Employment opportunities. Recent Trends in computer technologies were also taught. The Career guidance book was given to all students, and we discussed the schemes like (PMS) Post-Metric Scholarship, (Top Class Education) National Scholarship, etc, were discussed in the program. We conducted a small activity to keep the students

Active and Energetic throughout the session. Motivating Phrases were given. Brief discussion about the government exams for the students after their studies. Finally, Students got their clear idea and awareness about higher education. At the end of the programme, a dedicated doubt-clearing session was conducted. Students actively raised their questions regarding higher education courses, scholarship eligibility, application procedures, entrance examinations, and career paths.

Our faculty members cleared the doubts, and overall, the program achieved its objective of creating awareness and inspiring students to plan their future with confidence and clarity. Distribution of the booklet to the participants with content of career guidance along with higher education after school education, prepared by the Kongunadu Arts & Science College staff members of Computer Applications & Technology.
