**A Seminar on From Classroom to Boardroom – Preparing Professionals for the
Future**

The Departments of Commerce with Banking & Insurance and Departments of Commerce with Accounting & Finance jointly organized a seminar on “*From Classroom to Boardroom – Preparing Professionals for the Future*” on 23rd July 2025. The resource person for the session was Mr. Punith Kumar, ACCA Global Rank Holder and Co-Founder & CEO of SOE Global, who addressed the students with his expertise and inspiring professional journey.

In his talk, Mr. Punith Kumar emphasized the importance of bridging the gap between academic learning and industry expectations. He shared practical insights on leadership, adaptability, communication, and decision-making skills that are essential for success in the corporate world. He also highlighted how students can effectively utilize classroom knowledge to meet real-world challenges and shape successful careers.

The session was highly interactive and motivating, leaving students inspired to set clear goals, develop the right mindset, and prepare themselves for professional excellence. Overall, the program proved to be a valuable learning experience, equipping students with confidence to transition smoothly from academics to impactful careers.

OUTCOME:

The seminar on “*From Classroom to Boardroom – Preparing Professionals for the Future*” helped students understand the importance of bridging academic

knowledge with industry needs. It provided valuable insights into career opportunities, professional skills, and corporate expectations. The session motivated students to focus on communication, critical thinking, and adaptability, while also building their confidence to face future challenges. Overall, the seminar was highly useful in preparing students to become industry-ready professionals.

Total Number of students participated : 264
