Coimbatore – 641 029

**DEPARTMENT OF CHEMISTRY**

**Activities for the Academic Year 2016-2017**

**Details of Department Association Meetings / Guest Lectures:**

1.	Dr. N. Ponpandian Professor and Head, Department of Nanoscience and Technology, Bharathiar University Coimbatore - 46.	Nano Structured Material	13.07.2017
----	--	--------------------------	------------

Dr. S. Ponnuswamy, Associate Professor, Government Arts College, Coimbatore, has delivered a lecture on 12.08.2016.

National Seminar on “Career Guidance in Chemical Sciences and Training on Youth Leadership and Community Development [TYLCD] on 22<sup>nd</sup> February 2017

## National Seminar on Career Guidance at Kongunadu Arts and Science College

**N**ational Seminar on Career Guidance in Chemical Sciences and Training on Youth Leadership and Community Development [TYLCD] was conducted for science graduates at Kongunadu Arts and Science College.

This seminar was sponsored by Indian Science Congress - Coimbatore Chapter and in association with Nehru Yuva Kendra - Coimbatore, Ministry of Youth Affairs & Sports, Govt. of India. About 350 science graduates ranging from first year undergraduates to PG, MPhil, Ph.D scholars from various departments participated.

The Secretary and director Dr.C.A.Vasuki, motivated the students in her presidential address. Dr.T.Muraliceswari,

Principal KASC, delivered the Felicitation to the gathering. Chief Executive Officer Dr.V.Chinnusami encouraged the students to explore the chemistry challenges as much as possible at their level.

Morning session was chaired by Dr. V. Sangeetha. Dr. K. V. Hemalatha, Professor of chemistry, CIT-Coimbatore delivered the inaugural talk on potential career opportunity for youngsters in the area of chemical science. After the inaugural address, about one hundred and twenty members presented their Posters.

Afternoon session was handled by V. Velmurugan, District Youth Coordinator/Assistant Director, Nehru Yuva Kendra, Ministry of Youth Affairs and Sports, Government

Of India.

He delivered a talk about Promotional activities on Youth and Training on Youth Leadership and Community Development (TYLCD) Nehru Yuva Kendra and Ministry of Youth related activities in detail. His mentoring speech on youth is well received by the youngsters. This session was chaired by Prof. Dr. M. S. Sivaramkumar.

Panel discussion was conducted by Prof. Dr. A. Manimaran and this session was chaired Prof. Dr. R. Velmurugan, Dept. of Chemistry.

About 50 Best Poster Awards were issued. Best poster award included one standard mentoring book 'enriangal' by M.S.Udayamoorthi and one certificate.

**National Seminar cum Exhibition on Green Chemistry for Sustainable development in India on 07.03.2017**

**UGC sponsored national level seminar on “Nano Structured Materials” (NSM – 2017) on 13.07.2017 and 14.07.2017**

Brain Gain Programme Guest Lecture Series

National Conference on  
“Challenges in Electrochemical Energy Storage and Conversion Systems-Battery 2017”
