MANAGEMENT GAMES

at Kongunadu Arts and Science College

The Department of B.Com CA organised one day innovative Management games for the students on 16th September 2017. The main activity behind the event was to make student aware about team building. The class was divided into many groups of 4 members each. Overall, the students felt that these activities helped them to appreciate how understanding among the team members, a properly devised strategy and coordination among the team during implementation of the strategy, will help them to attain the task successfully. The deliberation session which followed the physical activity, brought out some clear positives and negatives for all the four teams that helped each individual team to identify improvement areas and how they need to work on their team work skills. Finally the winners from Boys side and Girls side received prizes from the Head of the department and Staff members.
