### DEPARTMENT OF INFORMATION TECHNOLOGY

The Department of Information Technology organized a Seminar on the topic **"Why Cloud Computing Is The Future of IT Careers"** on 21st January 2026 at 10:30 AM in the Venue G5, Kongunadu Arts and Science College. The programme commenced with a Prayer Song by **Ms. Mohana, II – IT**. The session was efficiently compered by **Ms. Janani, I – IT** and **Ms. Aarthi, II – IT**. The Welcome Address was delivered by **Ms. Kavsri, II – IT** who welcomed the dignitaries, faculty members, and students.

The Chief Guest introduction was given by **Ms. Aneesha, I - IT**. The Chief Guest for the seminar was **Ms. R. Gayathri, Cloud Trainer (AWS), AWS Certified Solutions Architect – Associate, EdutechX**.

**Ms. R. Gayathri** delivered an insightful session on cloud computing and explained how cloud technologies such as AWS are transforming the IT industry. She discussed various career opportunities in cloud computing including roles such as Cloud Engineer, DevOps Engineer, Solutions Architect, and Cloud Security.

Specialist. The session highlighted the importance of learning cloud platforms, certifications, hands-on practice, and industry-relevant skills.

The session was highly interactive, and students actively participated by asking questions related to cloud services, certifications, and career paths. The seminar motivated students to explore cloud computing as a promising career option and encouraged them to upskill themselves with modern technologies. The programme concluded with a vote of thanks delivered by Ms. Mythili, II - IT, who expressed gratitude to the Chief Guest, management, faculty members, and students for making the event a grand success.

#### **Outcome of the Seminar**

The seminar helped students gain a clear understanding of cloud computing concepts and their relevance in the current IT industry. Students became aware of various cloud service models and real-world applications of AWS. The session improved students' knowledge about career opportunities in cloud computing such as Cloud Engineer, DevOps Engineer, and Solutions Architect. It also motivated students to pursue cloud certifications and develop hands-on technical skills.

Overall, A total of **60 students** from the Department of Information Technology actively participated in the seminar and were benefited by the session. The students gained practical knowledge about cloud computing, AWS services, and emerging career opportunities in the IT industry.
