DEPARTMENT OF INFORMATION TECHNOLOGY

Tech Innovators Organizes a

“TechSpark’26”

REPORT

The Department of Information Technology, under the banner of Tech Innovators Association, successfully organized an Inter-Department Technical Event titled **“TechSpark’26”** on 12th February 2026 at 10:00 AM. The event was fully planned, coordinated, and executed by the student organizing committee, providing them with valuable experience in leadership, teamwork, and event management. The event aimed to encourage inter-department interaction and promote a healthy competitive spirit among students.

The following competitions were conducted as part of TechSpark’26:

Debugging: Participants identified and rectified errors in given programming codes, testing their problem-solving and coding skills.

Brain Teaser: Logical and aptitude-based questions were conducted to assess analytical and reasoning abilities.

Tech Debates: Students debated on current and emerging trends in technology, enhancing communication and critical thinking skills.

Code Hunt: A competitive programming event that tested participants’ coding speed and accuracy.

Slogan Writing: Students presented creative and innovative slogans related to technology themes.

Digital Art: Participants designed digital posters and artwork highlighting technological concepts.

Students from various departments actively participated with great enthusiasm. Faculty members served as judges and evaluated the participants based on creativity, technical knowledge, clarity, presentation skills, and innovation. The competitions witnessed enthusiastic involvement and healthy competition among participants.

The event was successfully conducted and achieved its objectives by fostering innovation, confidence, teamwork, and technical excellence among students. Approximately 100 students from various departments actively participated in the event. Refreshments, prizes, and participation

certificates were provided to all participants. Winners were awarded certificates and prizes in recognition of their excellence.

Outcome of the Event:

- Students enhanced their technical and creative skills.
- The event promoted teamwork and competitive spirit.
- It provided exposure to real-world problem-solving scenarios.
- Winners were awarded certificates and prizes.

TechSpark'26 proved to be a meaningful and productive technical event that strengthened the academic and practical learning environment within the department.
