SEMINAR REPORT

Seminar on National Technology Day

KASC – Institution's Innovation Council (KASC-IIC)

&

Department of Information Technology

Name of the Activity	Seminar on "Emerging Technologies: Opportunities, Challenges, and Responsible Innovation" – Celebration of National Technology Day
Organized by	KASC – Institution's Innovation Council (KASC-IIC) jointly with the Department of Information Technology, Kongunadu Arts and Science College
Date	27.07.2026
Time	2:00 PM
Venue	Conference Hall, Kongunadu Arts and Science College
Resource Person	Mr. Dinesh Paranthagan, CEO & Founder, Hackup Technology Pvt. Ltd., Coimbatore
Target Audience	Faculty members and Students of Kongunadu Arts and Science College
Mode	Offline

Objective of the Programme

National Technology Day is observed every year to commemorate India's achievements in science and technology and to encourage innovation among students. In this spirit, KASC-IIC and the Department of Information Technology jointly organized this seminar to create awareness among students and faculty about emerging technologies, the opportunities and challenges they present, and the importance of responsible innovation in building a sustainable technological future.

Proceedings of the Programme

The programme commenced at 2:05 PM with a prayer song invoking divine blessings. Mrs. S. Gomathi, Assistant Professor, Department of Information Technology, delivered the

Welcome Address, extending a warm welcome to the dignitaries, resource person, faculty and students.

Mr. A. S. Kirubakar, III B.Sc. IT, Department of Information Technology, presented a brief address on the significance of National Technology Day, tracing its history and relevance to India's technological journey. Dr. K. Dhanalakshmi, Associate Professor & Head, Department of Information Technology, then formally introduced the Chief Guest to the gathering.

The Chief Guest Session was addressed by Mr. Dinesh Paranthagan, CEO & Founder, Hackup Technology Pvt. Ltd., Coimbatore, on the topic "Emerging Technologies: Opportunities, Challenges, and Responsible Innovation." He spoke on the rapid evolution of emerging technologies such as artificial intelligence, automation, and allied fields, the opportunities they create for students and entrepreneurs, the challenges they pose to industry and society, and the need to adopt these technologies responsibly and ethically. He shared insights from his entrepreneurial journey and encouraged students to explore innovation and start-up opportunities in the technology sector. The session concluded with an interactive question-and-answer segment during which students actively engaged with the resource person. Around 135 students participate in this session.

The Vote of Thanks was proposed by Mrs. V. Loganayaki, Assistant Professor, Department of Information Technology, expressing gratitude to the management, dignitaries, resource person, faculty and students for the success of the programme. The seminar concluded at 4:00 PM with the National Anthem.

Outcome of the Programme

- Students gained awareness of current and emerging technology trends and their real-world applications.
- Students were sensitized to the importance of responsible and ethical innovation.
- The session encouraged students to consider entrepreneurship and start-up opportunities in the technology domain.
- The programme strengthened the collaborative activities between KASC-IIC and the Department of Information Technology in promoting an innovation culture on campus.
