Report of the Programme

The Department of Mathematics organized Intra-Departmental Competitions under DBT Star College Scheme on 11.09.2025.

In the event **Brain Teaser**, the knowledge in the field of Mathematics was tested. In order to enhance the Observation, Concentration, and Memory skills the event **Master Mind** was conducted. With the motive of helping the students to improve their speedy calculation the event **Manculator** was conducted. The logical approach of the students was tested in the event **Sudoku Star**.

Students presented their creative art work related to Mathematics in the event **Carve your Idea**. To encourage the students to make use of computer programs to solve mathematical problems, the event **Coding Star** was conducted.

The prizes for the winners were distributed. In this knowledge fest, 61 students took part in various competitions and got benefitted.
