

KONGUNADU ARTS AND SCIENCE COLLEGE
(Autonomous)
Coimbatore – 641 029

Curriculum Developed and Adopted

The curriculum development committee has been formed in the college for the periodical revision of curriculum. Based on the UGC norms and TANSCHÉ guidelines and accomplishing the objectives of the Institution in equipping the Students with multitasking skills, the committee orients the curriculum every year. The programmes offered under Aided and Unaided programmes are revised every year. Curriculum is designed with the concurrence from stakeholders, reviewed in the Board of Studies and approved in the standing committee and Academic Council. Outcome Based Education (OBE) has been introduced from the academic year 2018-2019 to all the programmes with a student-centric teaching methodology. The course delivery and assessment are planned to achieve the stated objectives and outcomes with the focus on the students' performance.

Outcome Based Education (OBE)

OBE has been adopted in the curriculum and the evaluation system. OBE is meant to be a student entered learning model. The Focus on outcomes creates a clear expectation of what needs to be accomplished by the end of the course. Students will understand what is expected of them and teachers will know what they need to teach during the course. The Knowledge, Skill and Attitude of the students will be improved and the quality of the education will also be enhanced through OBE.

The objectives of OBE

- Developing students' intellectual, personal and professional abilities.
- Developing generic skills and attitudes.
- Assessing the learners' Strength, Weakness, Knowledge attained and Skills accomplished by applying the axioms of Blooms Taxonomy.

The learning attributes of the OBE includes the following parameters:

- Programme Outcomes (POs)
