Eco Club
State Level Workshop on Vulture Conservation

The State Level Vulture Conservation Workshop was organized by PG and Research Department and Eco Club during World Vulture Awareness Day on 01.09.2018 at conference hall in the Kongunadu Arts and Science College. Dr. M. Lekshmanaswamy Head, PG and Research Department of Zoology gave welcome address and brief introduction of vultures and Dr. R. Venkitachalam, Assistant Professor and organizing secretary of the workshop gave detailed about the dynamics of the workshops. The Principal addressed to the participants about importance of the workshop. The chief guest Dr. S. Muralidharan, Senior Principal scientist, Salim Ali Centre for Ornithology and Natural History, Coimbatore inaugurated and delivered a lecture on pesticide contamination in Indian Avifauna special reference to Vulture followed by felicitation address given by Thiru R. Vijayan, Incubation manager, National Institute of Agricultural Extension and Management, Govt. of India, Hyderabad. A fall of Jataayu

documentary film on vultures was screened during the workshop and participants played a specially designed ladder game on vultures and prizes were distributed for winners.

The posters and banners in both Tamil and English languages on vultures were displayed in the conference gallery hall for participants. Thiru. Boominathan, Co-ordinator WWF-India Western Ghats landscape program showed his power point presentation of vulture in Moyar Valley of Tamil Nadu. The students and faculties from various departments in the college campus and outside colleges also participated and enriched their knowledge on vultures and its importance in the ecosystem. The workshop was concluded with vote of thanks by Dr. S. Raja, Assistant Professor in Zoology and Co - ordinator, Eco Club and organizing Secretary of the workshop. About 400 participants from various college facilities, NGO representatives and students were acquired greater knowledge on Vulture in India.

Wildlife Week Celebration 2018

On 5th October 2018, Coimbatore, Kongu Nadu Arts and Science College in association with World Wide Fund for Nature India, Coimbatore jointly organized Wildlife Week Celebration at Kongunadu Arts and Science College, Coimbatore.

Wildlife Week celebrated across the country with aim to create awareness among the people on conservation of wildlife and their protection. The wildlife week celebration started in the year 1952 with great vision to save our Indian wildlife by taking some critical steps. The government has taken various steps to save the species from the extinction. Every year wildlife week celebrated with special themes to address among the people. This year theme is “**BIG CATS – PREDATORS UNDER THREAT**”. The theme focused on large predators like Tiger, Lion, Leopard etc and their status and conservation steps towards their protection.

In this connection, a wildlife photography contents and wildlife special lectures was organized in the college. Dr. S. Raja welcomed the gathering in the celebration, following with this the presidential address was delivered by Dr. Balasubramaniam, Principal, Kongunadu Arts and Science College. And he spoken that wildlife and nature is part of our life and need to be conserved without any difficulties. Similarly, how wildlife was conserved traditionally during the olden days and how it is important in the ecosystem. said by Dr. V. Chinnaswamy, CEO, Kongunadu Arts and Science college. Following with this Mr. S. Saravanan, Coordinator, WWF-India pinpointed the wildlife week celebration and their importance. And also WWF-India initiative of wildlife conservation in Western Ghats Landscape and how youth can involve themselves in wildlife conservation.

The thematic address was given by Mr. Mohanraj, conservationist and Mr. Arudhavaselvan Wildlife Photographer during the occasions. Mr. Mohanraj in his speech pointed out that the predator species are very essential of large and important landscape like Western Ghats. The wildlife poaching, habitat loss and human development activities are the key threats to the wildlife. Finally, a technical session on wildlife photography was conducted by Mr. Arunthavaselvan. He has shown his wildlife pictures among the students and shared his experience of wildlife photography. He also pointed out that wildlife photography will provide opportunity to understand the species, behaviour, and their habitat. The best two photography was awarded with memento and prize. At the last Dr. T. Priya has proposed the vote of thanks to the gathering.
