REPORT ON

ALUMNI MEETING (2017- 2018)

The Alumni meet for the academic year, 2017-2018 was conducted on 11.08.2018 at 2.00 p.m. in the Department of Botany. Dr. V. Balasubramaniam, Principal, Associate Professor and Head, Department of Botany welcomed the gathering. Our faculty members felicitated the function. A total number of 49 alumni (numbering 31 for UG & 18 for PG) participated and expressed their views related with general affairs and academic improvement. In the meet they shared their present positions. It is interesting to note that most of them are pursuing their higher studies in our own college and other renowned institutions. At this proud moment one of our alumnus, Mrs. Sithara of II M.Sc (2015- 2017 batch) published a societal oriented book called Oxygen in Malayalam which gave a sole source of motivation and inspiration for others. Further, they also discussed about practical exposures and training programmes they have gained and to be taken in the upcoming departmental ventures. The meeting came to an end with a vote of thanks and a group photo. They all thanked the management and faculty members for conducting such a fruitful event.
