| Title of the professional development program organised for teaching staff | Faculty Development Programme: Session I: Teacher and Teaching Skills. Session II: Teaching Methodology |
| Date | 15.06.2017 |
| Total Participants | 163 |

Teachers are the real backbone of students, society and as well for a country. Considering the significance of the mentors “**Internal Quality Assurance Cell (IQAC)**” of Kongunadu Arts and Science College, Coimbatore organized an **UGC Sponsored Faculty Development Programme** for teachers on **15.06.2017, Thursday**.

The Faculty Development Programme was inaugurated at 10.00 am, Conference hall. First the invocation to the almighty was given by Dr. V. Sugantha, Associate Professor and Head, Department of Tamil (unaided).

Followed by the prayer song, IQAC Co-ordinator, Dr. S. Krishnakumari, Associate Professor of Biochemistry welcomed the dignitaries on the dais and off the dais and elaborated the significance of faculty development programme.

Our most respected Principal (i/c), Dr. V. Balasubramaniam, delivered the Presidential address. He emphasized the role of a teacher in a student's life.

Our most respected Chief Executive Officer, Dr. V. Chinnusamy, felicitated the gathering. He grabbed everyone's attention through his inspirational and experienced words.

The first session was on **“Teacher and Teaching Skills”** by Dr. A. A. Sivakumar, Principal (Rtd.), Kovai Kalaimagal College of Arts and Science, Coimbatore. He justified the attribute of a good teacher. He advised various techniques for the teachers to develop their teaching skills. He urged the teachers to be very strong and skilled in their technical field.

The second session was on **“Teaching Methodology”** by Dr. M. Durairaju, Associate Professor of Zoology, NGM College, Pollachi. He highlighted the usage of several teaching methodologies for an innovative teaching – learning process. Further, he clarifies how a teaching methodology acts like a media for a student to master in learning.

IQAC member, Dr. D. Vijayalakshmi, Assistant Professor of Mathematics, proposed the vote of thanks.

Nearly 200 teachers from our institution and other institutions attended the Faculty development Programme and got benefited by getting valuable suggestions, experiences and new teaching methodology to take the students to a better way to lead their best future.

The programme ended with National Anthem.

| Title of the professional development program organised for teaching staff | Faculty Development Programme: Session I: Outcome Based Education in the Context of Autonomy and its Challenges Session II: Curriculum design |
| Date | 14.12.2017 |
| Total Participants | 177 |

The Faculty development programme was conducted in our college auditorium on **14.12.2017**. This **UGC sponsored FDP** was organized by Internal quality assurance cell of our college. The topic of the programme was “**OUTCOME BASED EDUCATION IN THE CONTEXT OF AUTONOMY**”. The Programme was enhanced by two speakers **Dr. K.Jayakumar**, Director, Centre for Professional Development and Training, Sri Krishna Institutions Coimbatore and **Dr. M. Durairaj**, Associate professor in Zoology and Director for Curriculum development cell, NGM College, Pollachi.

The Programme starts with invocation to almighty followed by the welcome address delivered by **Dr.K.Krishnakumari**, Associate Professor in Biochemistry & Co-ordinator for IQAC Cell of our college. Our Respected Principal **Dr. V. Balasubramaniam** offered the felicitation to the grace the occasion. Our controller of examination briefly explained about the significance about the outcome based education in the context of autonomy. The First session of FDP programme was taken by **Dr. K. Jayakumar**, he delivered inspiring and useful ideas on the topic “**Outcome Based Education in the Context of Autonomy and its Challenges**”.

The second session was taken by **Dr. M. Durairaj** in the topic “**Curriculum design**”, in which he explained about the new methodologies and techniques for framing the syllabi on outcome based education. The third session was again taken by Dr. K.Jayakumar, he explained about blooms of taxonomy and program outcome. This FDP programme gives an awareness regarding outcome based education in the context of autonomy and an idea to frame the curriculum which is based on outcome based education. The programme was very interactive and useful to all the faculty members. The program was very successful and innovative. Around two hundred faculty members attended the programme and get benefitted.
