Members Leave or absence :

1. Prof. Dr. M. Sundaresan [University Nominee]
2. Dr. A.V. Senthil Kumar [Subject Expert]

The Chairman welcomed the members of the Board of Studies in Computer Science [CU]. The members introduced themselves.

The Chairman explained the activities to be taken up by the Board for implementation during the current academic year for Computer Science [CU]. The Chairman requested the members to take up the agenda for discussion and approval.

Item 1 : To add Theory and Practicals in Semester IV.

In Semester IV, One Core Paper, One Elective paper and a practical have been added along with the existing project.

Item 2 : Revising the syllabus of Computer Science [CU] for the students to be admitted from 2015-16.

In Semester I, the paper Parallel Processing has been removed and is added in the list of Elective papers.

In Semester III, the paper Data mining and Warehousing has been replaced by Distributed Systems.

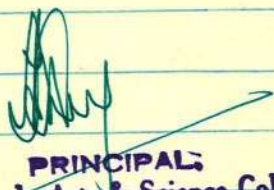

In Semester IV, the paper Data Mining and Warehousing, an Elective paper and Multimedia Lab have been added with the existing Project.

Item 3 : To change the credit points for the ~~the~~ and the total marks for the Practicals and the Mini Project.

Item 4 : To suggest a panel of examiners, and Question Paper setters for Theory, Practical and Project viva-voce.

Item 5: To follow the existing curricula, Scheme of Examinations and Syllabi for the PGDCA Program for the Students admitted during the year 2015-16 onwards.

The members of the board considered and approved the adoption of the Curricula, Scheme of Examinations and Syllabi and authorized the Chairman to place the above recommendations in the next meeting of Standing Committee of Academic Affairs and the Academic Council of the College for its approval and adoption. Feedbacks have been collected from all stakeholders and analysed.
