

KONGUNADU ARTS AND SCIENCE COLLEGE
(Autonomous)
Coimbatore – 641 029

Strategies for Mobilization of Funds

The funds received by the college from UGC such as College of Excellence grant, Autonomous grant, etc., are utilized under the heads specified as per the guidelines of UGC. Finance Committee of the college plans the utilization of funds based on the proposals received from the departments for each academic year and on the basis of recommendations from Planning and Evaluation Committee. The funds are used for equipping library, laboratory and faculty, extension activities, conduct of seminars / workshops and students enrichment programmes. Utilization certificate of the grants is submitted to UGC annually. Till date all the accounts have been settled and approved by UGC.

Every year, quite a number of proposals are sent by the staff members to various funding agencies like UGC, DST, DBT, DRDO, Indian Academy of Sciences, etc., for financial sponsorship for research projects, organizing seminars, conferences and workshops. The college ensures the utilization of funds under the heads specified as per the guidelines of the sanctioned agency and also the submission of Utilization Certificate by the staff members on time.
