**MINUTES OF THE RESEARCH COMMITTEE MEETING**

The Research Committee Meeting was convened on 02.04.2019 at Seminar Hall to review the activities carried out during the academic year, 2018-19 and to invite the suggestions of the committee members to improve the quality of research. The Dean R&D, Dr. S. Paulsamy explained the various activities in the areas of publication of articles, citations, seminars/symposia/conferences organized and participated by the faculty members, faculty members as resource persons, projects completed, ongoing and applied for funding, MoUs, Collaborative works, consultancy, research scholar meetings, staff achievements, etc.

As recommended in previous meeting, to check the plagiarism in articles to be submitted for publication in journals and thesis to be submitted to university, the management purchased and installed URKUND software and installed in Library.

Enacting of bylaws for Dr. M. Aruchami Research Foundation is under progress.

Members suggested that management may provide 'seed money' for establishing research laboratories by purchasing the instruments.

Members suggested to convene the meeting twice in an year.  
(i.e one per semester).

It is decided to implement the suggestions/ recommendations at maximum extent.
