KMCH and NSS KASC Organized Life after Life Organ Donation Awareness Programme

India's current poor standing in worldwide organ donations is something to be addressed through wider awareness programmes on organ donation. KMCH and NSS (Units IV and V) of Kongunadu Arts and Science College organized an Awareness Programme on Organ donation at the College Conference Hall on 07.10.2022. **Dr. L. Kathirvelkumaran**, NSS Programme Officer welcomed the gathering. **Dr. M. Lekeshmanaswamy**, Principal of the college delivered the presidential address. On this occasion a special lecture on "*Life after Life*" was delivered by **Dr. Madhav Venkatesan**, Consultant Nephrologist, KMCH. In his address, he explained about the types of Organ donations and its importance. He urged the students to create more awareness among the common public as India lacks in Volunteer Organ donation compared with rest of the other countries. Dr. C.A. Vasuki, Secretary and Director of the College initiated the Signature Campaign towards Organ Donation. Followed by that, all the participants took organ donation pledge and marked their signature in the Signature Campaign board. Finally, **Dr. A. Amuthalakshmi**, NSS Programme Officer proposed the Vote of Thanks.

More than 200 students participated in this programme and got benefited. Among them 100 students have enthusiastically registered their names for donating their organs.
