Computer Applications & Computer Technology

Venue: Eklavya Model Residential School, Ooty.

Date: 23.12.2025

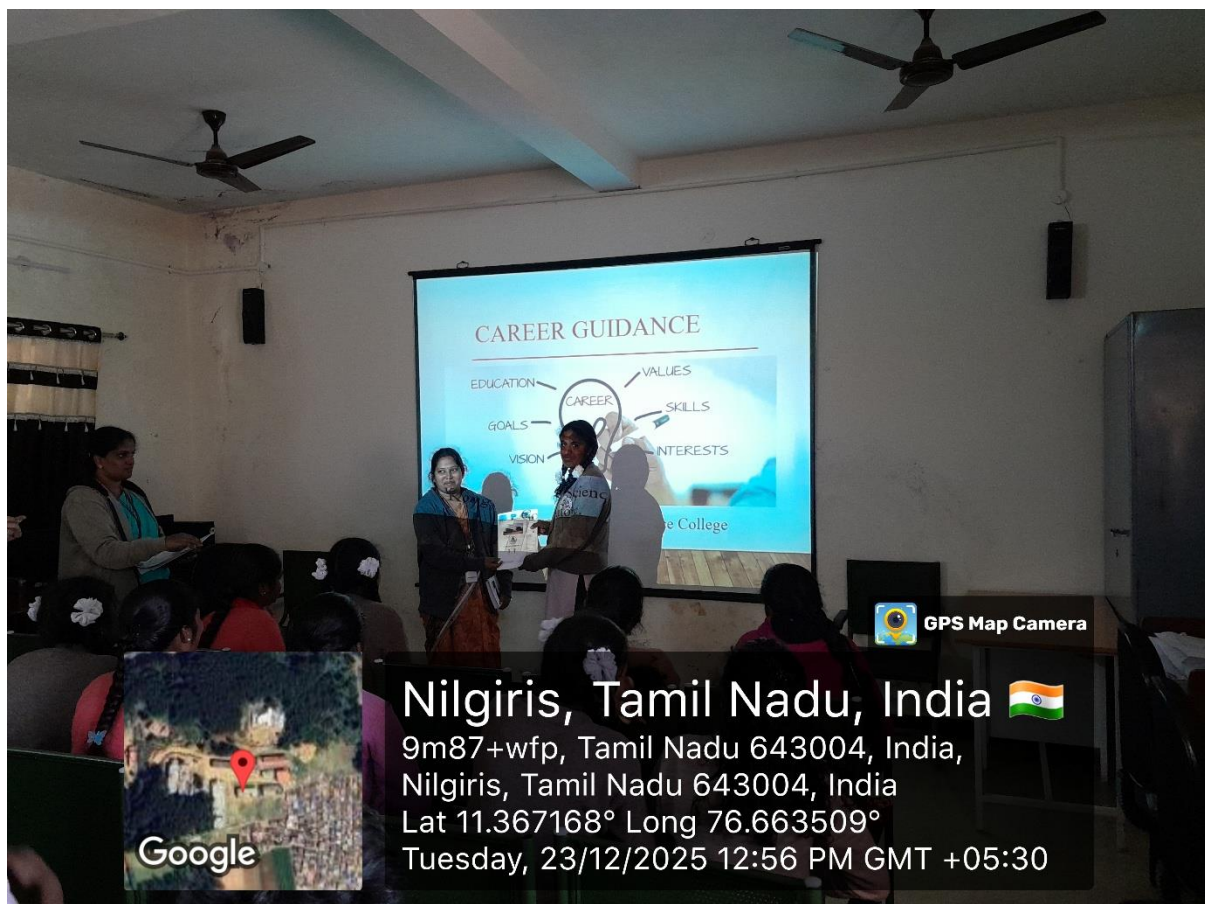

An **Awareness Program for Higher Education** was successfully organized by the **Department of Computer Applications** and the **Department of Computer Technology, Kongunadu Arts and Science College (Autonomous)**, Coimbatore, in collaboration with **KASC – Centre for Tribal Studies & Welfare**, as part of the celebration of **Jan Jatiya Gaurav Diwas**.

The program was conducted on **23rd December 2025** at **Ekalavya School, Ooty (EMRS)**. About **50** students benefited from the program. The main objective of the program was to create awareness among tribal students about the importance of **higher education**, career opportunities, and the role of education in empowering tribal communities.

The sessions focused on explaining various **higher education pathways**, scholarships available for tribal students, career prospects in technology and other disciplines, and the importance of skill development.

The program helped students understand the value of education in achieving personal growth and community development. The interactive discussions inspired students to aspire for higher studies and explore diverse academic opportunities.

The event concluded successfully with positive feedback from students and faculty members, fulfilling the objectives of **Jan Jatiya Gaurav Diwas** by honoring tribal communities and promoting educational awareness among them.
