and between **Kongunadu Arts and Science College (Autonomous),**  
**Coimbatore** and **ORBITO ASIA DIAGNOSTICS, Coimbatore.**

Orbito Asia Diagnostics was established under Partnership Act (TN03E0102080) with all  
necessary infrastructures and modern facilities functioning at No. 737 E, Puliakulam Road,  
Coimbatore- 641045, since 2010 onwards, represented by its **Managing Director,**  
**Dr.S.Dharani,** which expression shall unless repugnant to the context or meaning thereof,  
includes its successors in office, legal representatives and permitted assigns of the **First Party.** It

S. Dharani

administered by Dr S.Monisha, Assistant Professor, Department of Biochemistry (PG and  
Research), and at ORBITO ASIA DIAGNOSTICS, Coimbatore, this MoU will be administered  
by Dr.S.Dharani, Managing Director.

S. Dharani

is currently focusing on total imaging solutions and specialized pathology lab services and it enters through the MoU with **Kongunadu Arts and Science College (Autonomous), Coimbatore** to offer the industry relevance job-oriented training and internship programmes. Kongunadu Arts and Science college, Coimbatore, India (hereafter KASC) located at Coimbatore is an Indian Recognized education provider of high quality academic programs and research and has a successful track record of engaging mutually beneficial engagement with high standing academic institutions from around the world. The college is recognized by the UGC as College of Excellence and ranked one among the top 100 institutions in India as the one part.

And

### 1.0 Purpose

The purpose of this Agreement is

- To promote the mutual interest in the fields of Research, Consultancy, Training, Testing & certification.
- To jointly organize workshops, seminars and conferences in the emerging areas like Test and Measurement, Electronics and Biomedical Instrumentation.
- To impart technical skills through employability enhancement programs to the students.

### 2.0 Types of Cooperation

Through this memorandum, both Parties affirm the value of industrial collaboration and agree to promote the following activities:

- Joint research projects in fields of mutual interests
- Opportunities for students to
- visit industry (short day visit)
- undergo in plant training/internship
- undertake projects
- get placement assistance
- Opportunities for Faculty members to visit industry and undergo training
- Consultancy works in fields of mutual interests
- Curriculum and syllabus development (Core Training)
- Support for establishing laboratory at par with industry standards
- Organizing workshops / seminar/ symposium / conference/Faculty Development program
- Other activities as mutually agreed.

This Agreement places no financial obligations or supplementary funding commitments on either party. Such activities will be defined through separate program agreements that detail the commitment of resources (financial or otherwise) required by the Institution and Industry. Subsequent program agreements must be approved in writing by the authorized representatives of both parties.

### Terms

- At **Kongunadu Arts and Science College (Autonomous), Coimbatore**, this MoU will be administered by Dr S.Monisha, Assistant Professor, Department of Biochemistry (PG and Research), and at **ORBITO ASIA DIAGNOSTICS, Coimbatore**, this MoU will be administered by Dr.S.Dharani, Managing Director.

D. Dharani

- This agreement will become effective upon the date of signature by both Parties. It shall remain valid for a period of three (3) years from the date of the last signature, with the understanding that it may be modified by written mutual consent of both Parties. This Agreement may be terminated by either Party with advance written notice of at least thirty (30) days. Upon notice of termination ORBITO ASIA DIAGNOSTICS, Coimbatore and (Kongunadu Arts and Science College (Autonomous), Coimbatore agree to work in good faith to enable visiting students/staffs to complete their respective academic work/research unhindered by the termination. The agreement may be extended by mutual consent of the two Parties after the three-year period, and it must be renewed in writing.
- This MoU may also involve parties by mutual consent, which may be added later by written addendum to this MoU.
- The parties may enter into specific written agreements under authority of this MoU to clarify and define the nature, extent and terms of operation for the proposed collaborations, including intellectual property ownership and funding issues.
- Jurisdiction: Any dispute or difference arising between the parties in operation/effect of this MoU or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act in force at such time. The arbitration award shall be binding on both parties.
- This Memorandum of Understanding completed in English is hereby signed in two (2) copies with one (1) copy remaining in the possession of each party.

Now therefore, for the purpose of promoting employability, internship, hands - on experience and increasing the skills of all aspects and in consideration of the mutual promises and covenants herein contained, the parties hereto agree as mentioned above.
