Report on

“Awareness Programme on Cyber Security for School Students”

Organized by

Department of Computer Applications,

Kongunadu Arts and Science College

Date: 8th January, 2025

Time : 10 a.m to 1 p.m

The Department of Computer Applications organized an Awareness programme on cyber security for Greenfields Matriculation school students on 8th January 2025. Around 50 students got benefited. Dr.S.Narmadha, Assistant Professor, Department of Computer Applications gave awareness about cybercrimes and discussed with students about online transactions and crimes happening all over the world. This Cyber Security Awareness Program will give important tips and suggestions for the students for online safety and helps in understanding various types of cybercrimes, their effect and countermeasures to protect the confidential information. We received good response from the students and also, they gave very good feedback.

Outcome

Around 50 students got awareness about cybercrime activities and they know how to use mobile phones, laptops for online transactions, frequently update the software's on mobile phones and also how to keep strong passwords for device lock and also mail.
