COIMBATORE - 641029

RESEARCH & DEVELOPMENT (R&D) CELL

RESEARCH SCHOLARS MEETING

Place : Through Google meet: <https://meet.google.com/pkk-rbig-enp>

Date : 06.09.2021 @ 2:00 PM – 3:20 PM

The Research scholar's meeting was organized by Research and Development (R&D) Cell, Kongunadu Arts and Science College (Autonomous), Coimbatore on 6th September, 2021 at 2:00 PM through Google Meet (<https://meet.google.com/pkk-rbig-enp>) platform. Totally 100 research scholars were actively participated in the meeting. The meeting start with welcome address by **Dr. G. Dhandapani**, Assistant Professor in Botany and Research Coordinator, R&D Cell, KASC.

Dr. S. Paulsamy, Dean-Research & Development, delivered an introduction address and highlights about meeting and discussed research progress in India during the pandemic situation and he congratulated the research scholars those who were published their articles in SCI/Scopus indexed journal for past one year. Further, he instructed and motivated all research scholars to insure quality of research and publish their findings in high impact factor journals.

Ms. Christy Jenifer, Research scholar from Department of Mathematics presented her work entitled "**Introduction to Queueing Theory**" and she interacted with the scholars and ensured their queries.

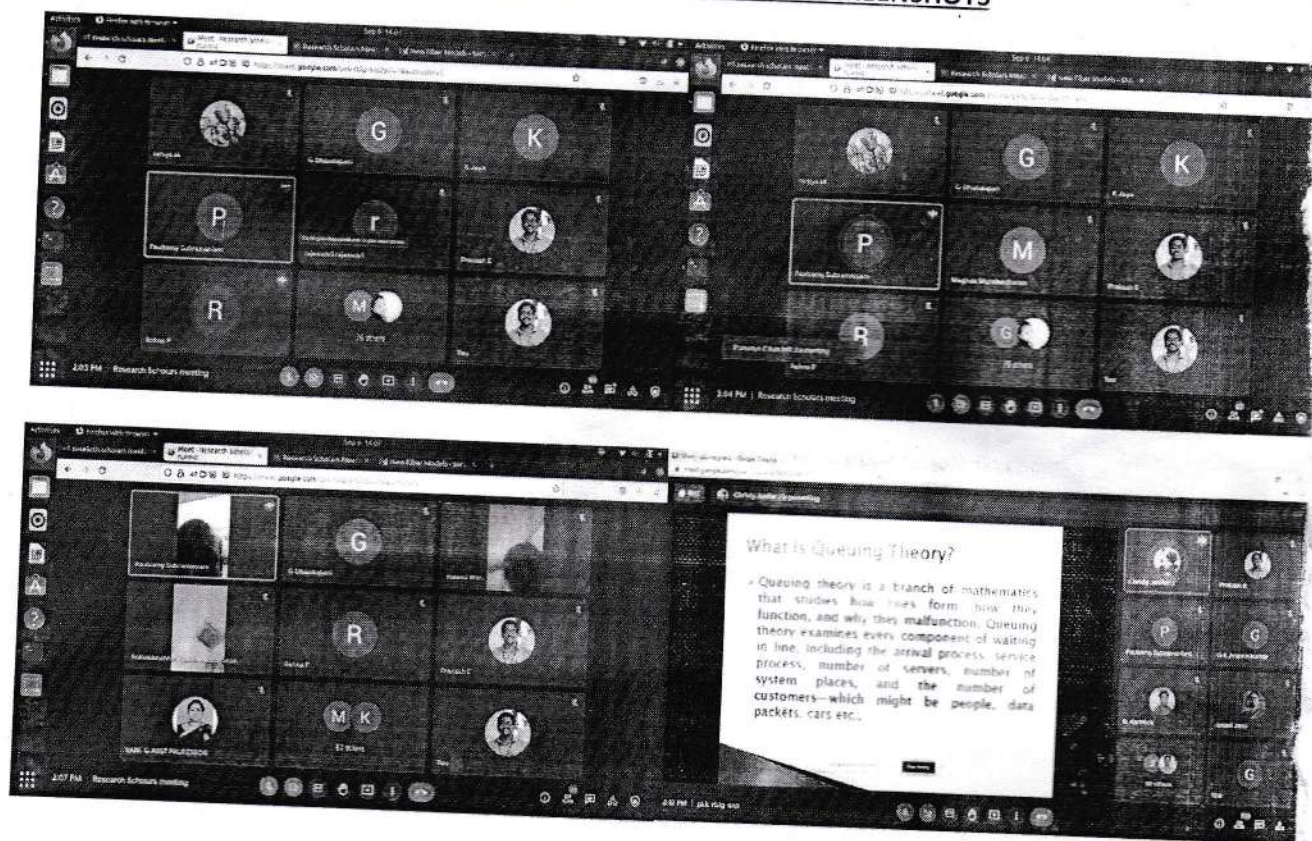

Dr. R. Sivaprakash, Associate Dean - Research & Development, advised all scholars to come forward for active Interdepartmental interactions and strengthening their collaborative research activities.

Further, research scholars raised many queries and Research Coordinators have responded to their queries and provided necessary suggestions. The queries such as,

1. Research fees concession for the last academic year due to COVID-19.
2. Updating of SEI/Scopus/UGC Care journals list
3. OD/Permission to perform collaborative or part of work to the industry/institution/universities.

Finally, the meeting ended with a vote of thanks by Dr. E. Prakash, Assistant Professor Mathematics (Aided) & Research Coordinator, R&D Cell.

KONGUNADU ARTS AND SCIENCE COLLEGE (AUTONOMOUS)

COIMBATORE - 641029

RESEARCH & DEVELOPMENT (R&D) CELL

RESEARCH SCHOLARS MEETING

Place : Through Google meet: <https://meet.google.com/pkk-rbig-enp>

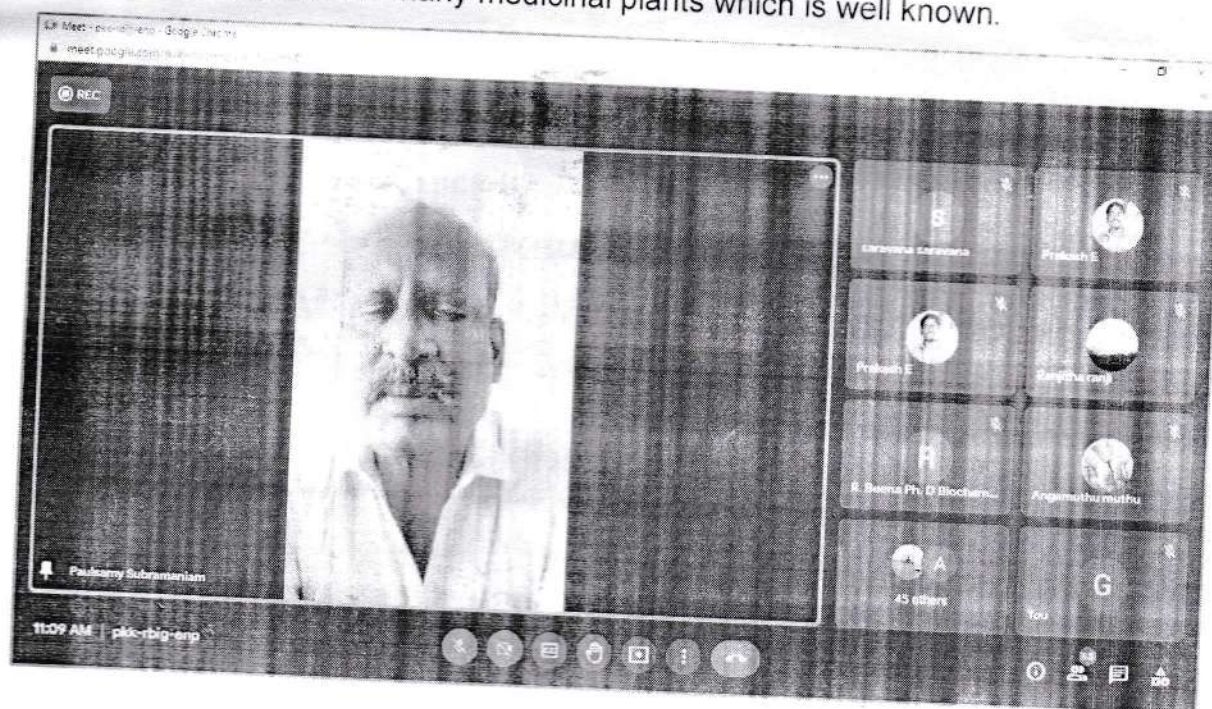

Date : 26.10.2021 @ 11:00 AM

The Research scholar's meeting was organized by Research and Development (R&D) Cell, Kongunadu Arts and Science College (Autonomous), Coimbatore on 26th October, 2021 at 11:00 AM through Google Meet (<https://meet.google.com/pkk-rbig-enp>) platform. Sixty research scholars have participated in the meeting. The meeting start with welcome the gathering by **Dr. G. Dhandapani**, Assistant Professor in Botany and Research Coordinator, R&D Cell, KASC.

Dr. S. Paulsamy, Dean-Research & Development, delivered key note address to the scholars especially for Bio sciences about the research programme to take up in future. His main talk focused on the research of medicinal plants/Phytomedicine/Pharmacology/Pharmacognosy and related biochemical studies. He explained about mega diversity of medicinal plants in India and need to be study or to do the more research in many medicinal plants which is well known.

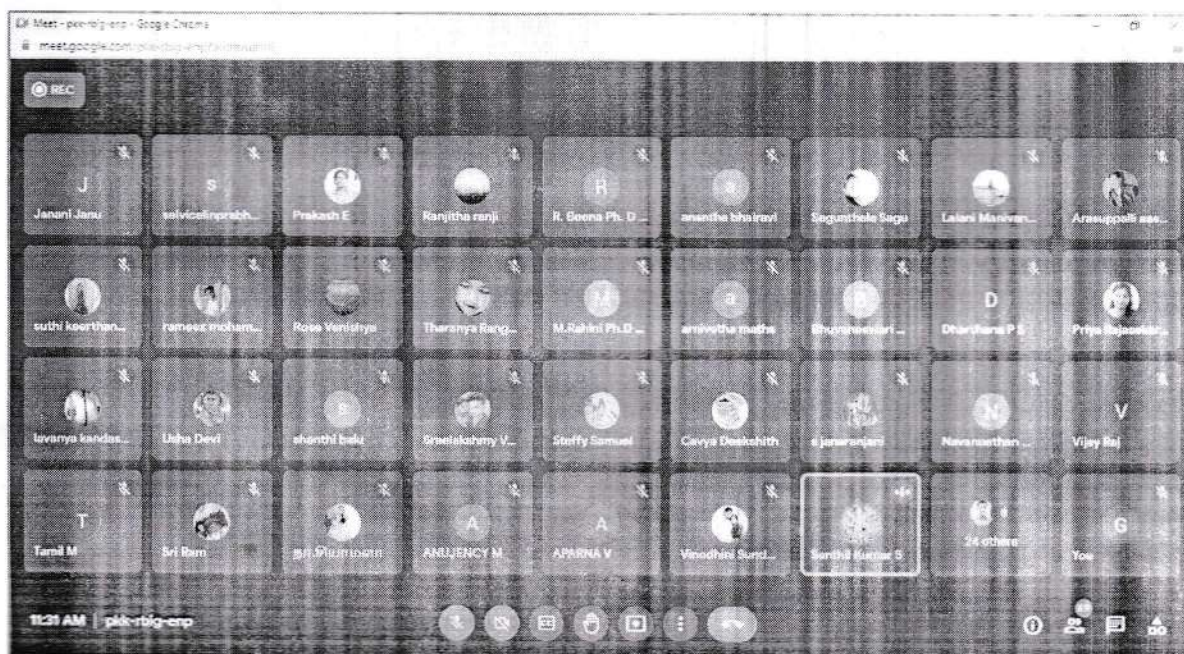

He also highlighted the selection of the plants for their research work based on the information/knowledge obtained from the local tribal's or based on the phylogeny, instead of selecting rare, endangered, or hills areas. Moreover, he explained the difficulties for the female scholars to collecting the plants from hills station and very far from their place in the current pandemic situation. Hence, he suggested we have lots of medicinal plant species in and around to our place to study more research.

Mr. S. Senthil Kumar, Part time Ph. D Research scholar from Department of Computer Science explained his research work entitled **"Investigation on Anomalous Detection using Classification and Machine Learning Algorithm and its Application"** and he responded well to queries raised by the scholars regarding his work.

Further, research scholars raised many queries and Research Coordinators has answered their queries and provided necessary suggestions. The queries such as,

1. Publication of research articles through international and national conferences.
2. Details for the revised fee structure from registration to up to submission of the thesis
3. Update the faculties profile in the college website with total number of scholars presently working and number of vacancies for each staff members (Mr. Senthil Kumar, Computer Science Scholar)
4. Availability of Transmission electron microscope (TEM) and X-ray diffraction analysis (XRD) for analysis of samples (nanoparticles).
5. Scholars already paid the fee for the academic year 2020-2021 without 10% reduction, there is a chance to get back or next year can pay with 10% less (Ms. Shiyamala, Tamil Scholar).

Finally, the meeting was end with vote of thanks by Research Coordinators, R&D Cell, KASC.

RESEARCH & DEVELOPMENT (R&D) CELL

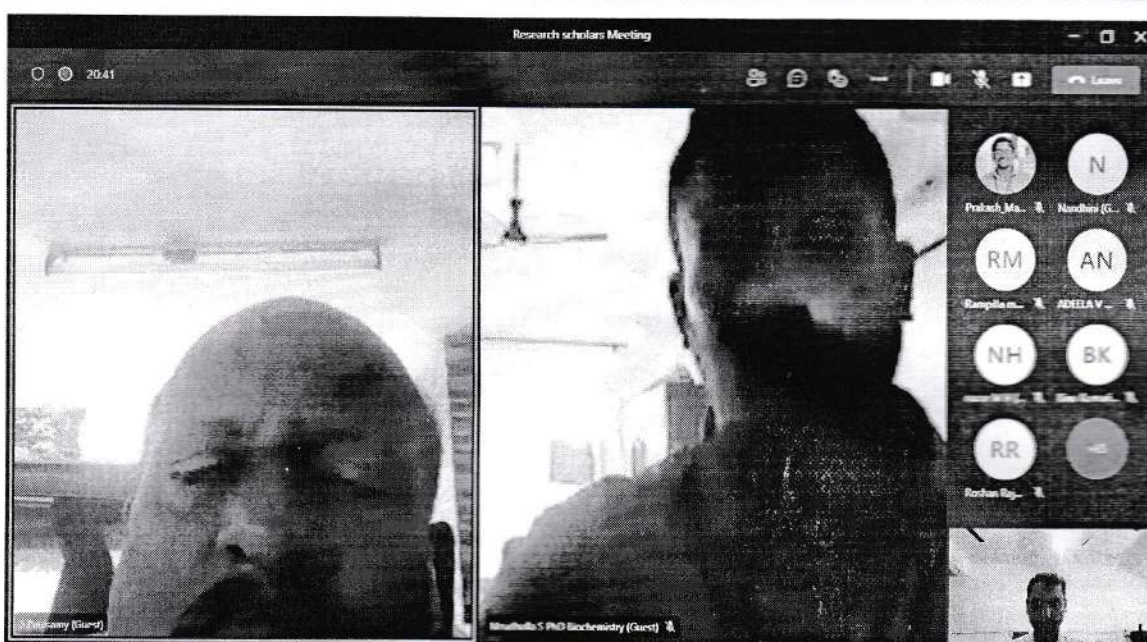

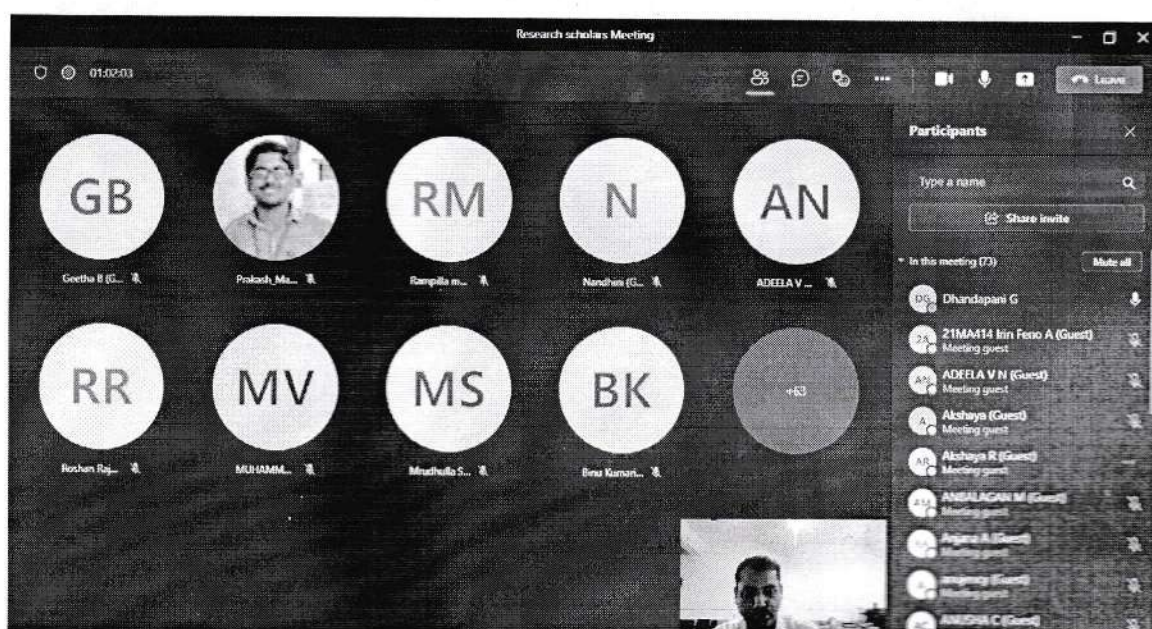

RESEARCH SCHOLARS MEETING

Place: Through MS Team: https://teams.microsoft.com/join/19%3ameeting_ZWZIZjRhNTAtNmJiNC00ODE4LTlmZDctNzEyNDA3ODNiZTQy%40thread.v2/0?context=%7b%22Tid%22%3a%22b5206cc9-39eb-483e-b329-36090fbb5824%22%2c%22Oid%22%3a%22af5110e3-5ddc-413f-bb4e-93822bd40332%22%7d

Date : 25.02.2022 @ 11:00 AM – 12:15 PM

The Research scholar's meeting was organized by Research and Development (R&D) Cell, Kongunadu Arts and Science College (Autonomous), Coimbatore on 25th February, 2022 at 11:00 AM through MS Team platform. 65 research scholars were joined the meeting. The meeting start with welcoming the Dean, R&D, Research Coordinator, supporting faculty members and research scholars by **Dr. G. Dhandapani**, Assistant Professor in Botany and Research Coordinator, R&D Cell, KASC.

Dr. S. Paulsamy, Dean-Research & Development, delivered key note address to the scholars about this forum and highlight the importance of the meeting which has been conducted every month or once in two months. Especially, sharing the knowledge about new developed technologies, and techniques, tips for writing research manuscripts, availability of the infrastructure in and around the city, importance of the collaborative research work , etc. Further, he explained about various facilities which is available in Bharathiar University, IFGTB, Tamil Nadu Agricultural University, and other ICAR institutions in Coimbatore. He informed about i-STEM facility and told that our

college is selected as one of the regional centers for i-STEM to share the facilities and it will definitely help to promote the quality of research linking with various other institutions. He also highlighted our library resources and activities conducted by our Librarian to promote the research programme and suggested to newly joined scholars to visit the library and utilize the facilities.

Ms. S. Vimal Priya, Full time Ph. D Research scholar from PG and Research Department of Botany presented a topic on **"Application of Plant Tissue Culture in Forestry and Agriculture"**.

Micro propagation

- Efficient methods for micropropagation has been used for many trees.
- So far much success has been achieved in micropropagating some tree plants which are difficult to clonally multiply by the conventional methods.
- Success of micropropagation is judged on the basis of rate of shoot multiplication and the success of transplantation to the field.
- For example Teak and Eucalyptus

Vimal priya Subramanian (Guest)

DG

The Research Coordinator explained our college website revamp as like Bharathiar University website to promote more information and highly accessible of the resources of all students and research scholars.

Further, research scholars raised many queries and Research Coordinators have responded and provided necessary suggestions. The queries such as,

1. Scholars from Library Science asked if any platform to contact/link to the R&D if need any specific clarification/information and coordinator's suggested to contact by email and mobile.

2. Scholar from Physics department asked about more access to get new research articles apart from 'Sci-hub' web and suggested to contact Librarian to get any specific login and password to access new articles.
3. Scholar from Physics department asked availability of Wi-Fi facilities in the lab.
4. Discussed about 1st Doctoral Committee" meeting and volume of work should be completed.
4. Newly joined scholars are asked about the date of theory examination and passing score.
3. Scholars from Computer Science asked/suggested if any department wise research scholar meeting is possible.

Finally, the meeting was end with vote of thanks by Research Coordinators, R&D Cell, KASC.

KONGUNADU ARTS AND SCIENCE COLLEGE (AUTONOMOUS)
COIMBATORE - 641029

RESEARCH & DEVELOPMENT (R&D) CELL

RESEARCH SCHOLARS MEETING

Place: Seminar Hall, KASC

ate : 12.05.2022 @ 11:00 AM – 12:20 PM

The Research scholar's meeting was organized by Research and Development (R&D) Cell, Kongunadu Arts and Science College (Autonomous), Coimbatore on 2th May, 2022 at 11:00 AM in the seminar hall at our institution.

KONGUNADU ARTS AND SCIENCE COLLEGE (AUTONOMOUS)
Re-accredited by NAAC with 'A' Grade (4th Cycle)
College of Excellence (UGC)
COIMBATORE - 641 029

CIRCULAR No. 226

11.05.2022

It is to inform that the meeting for Research scholars of all disciplines is scheduled on 12.05.2022 at 11.00 am in the Seminar Hall. All the research scholars are asked to attend the meeting without fail.

PRINCIPAL

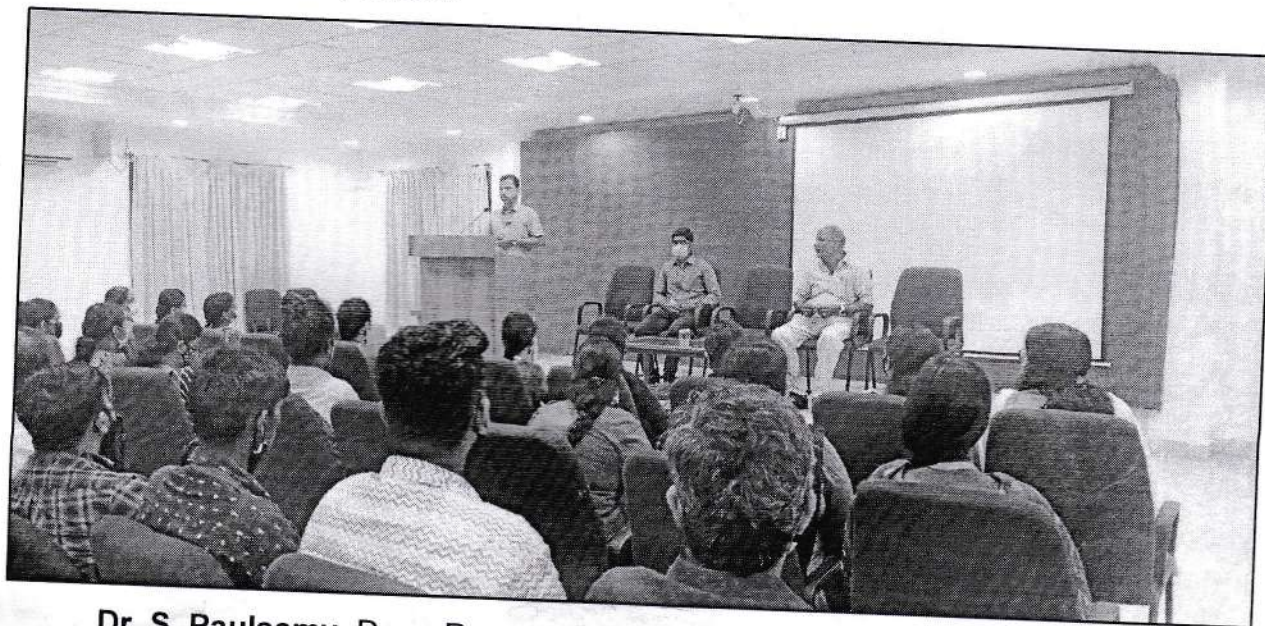

To

1. Heads of all Research Departments for information
2. Research Scholars through Heads of the Departments

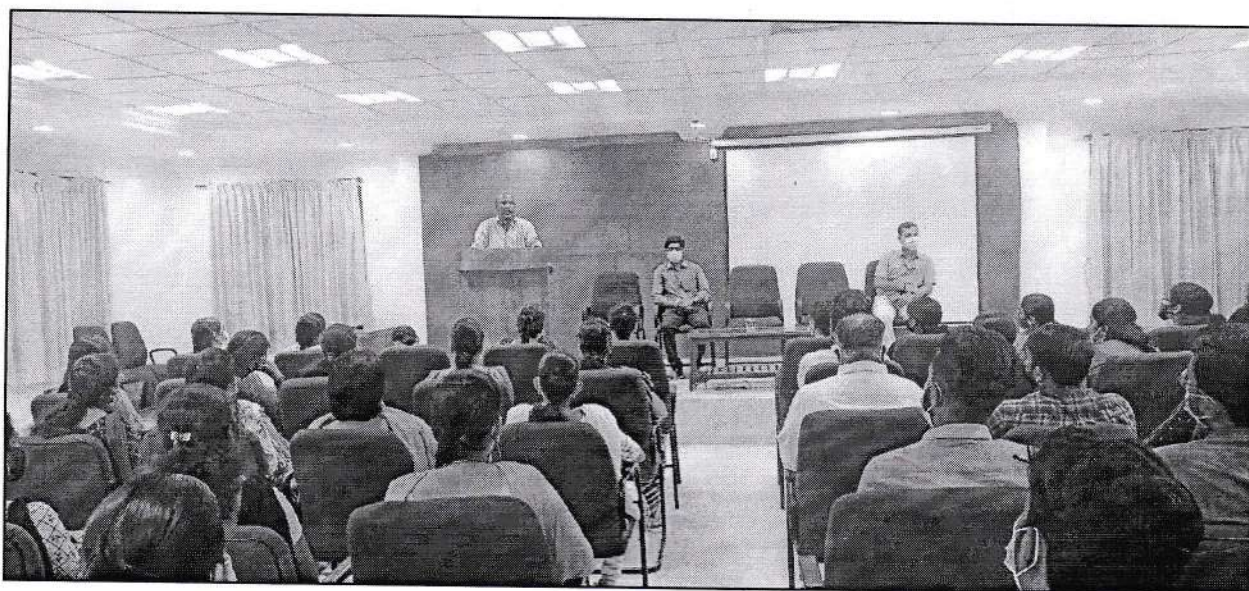

Copy to

1. Secretary's Office

7. Dean, School of Computer Science
8. Dean, School of Commerce
9. Office Superintendents (Aided & Unaided)
10. Manager (Unaided)
11. PRO

Around 68 research scholars were attended the meeting. The meeting start with welcome the Dean, R&D, Research Coordinator, supporting faculty members and research scholars by **Dr. G. Dhandapani**, Assistant Professor in Botany and Research Coordinator, R&D Cell, KASC.

Dr. S. Paulsamy, Dean-Research & Development, delivered key note address to the scholars and mentioned about present position about funding opportunities from state and central governments. He emphasized and provide suggestion to the scholars to focus their research work about Coimbatore based social issues, because Coimbatore is the one of the top agricultural, industrial and educational hubs. In his talk he discussed about issues in the agriculture especially insect pest management (White fly problems in coconut cultivation), nutritional management and application of fertilizer by applying recent technological tools in crop plants. Further, he delivered about different water management system like drip and sprinkle irrigation system, overall he discussed about Water, Pest and Quality management.

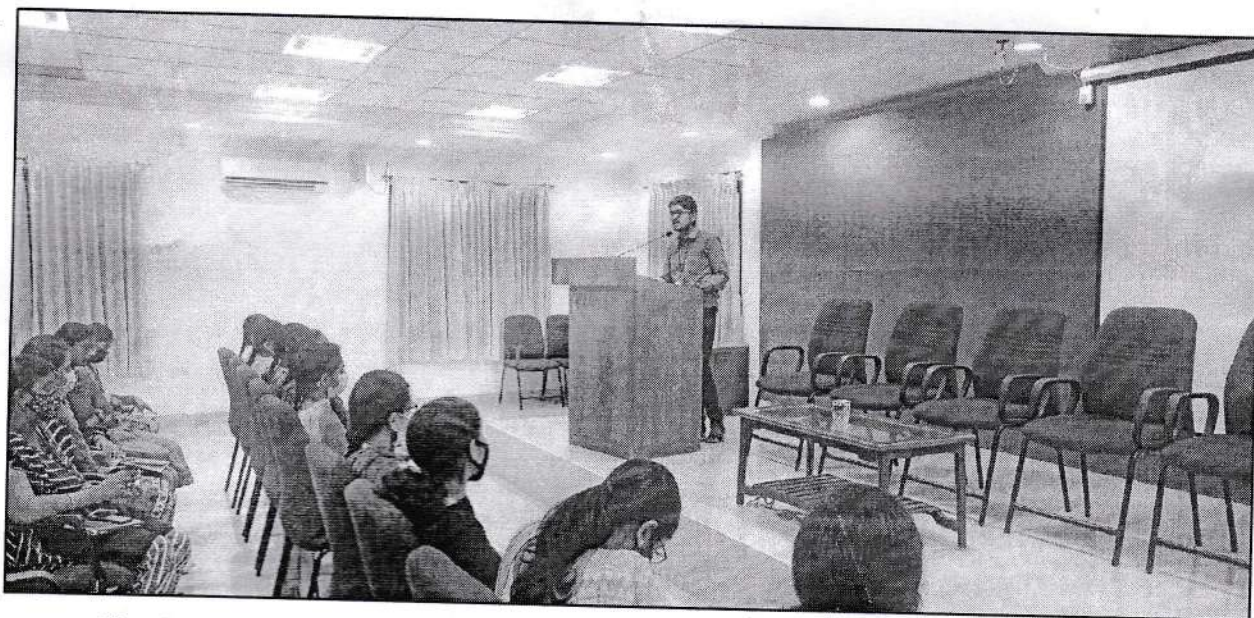

Also, he talks about genetic engineering in plants for manipulation of economic importance genes from wild species to cultivated species by genetic transformation. He further highlighted about medicinal plants such as only 1000 plants were validated out of 7000 plants which is available near by the place and suggested to scholars to focus on validation of more uncharacterized plants. He also discussed about mosquito repellent plants, fossil fuel technology, green energy, getting clean energy from agricultural waste, replacing lithium battery to ceramics battery, solid waste management, the fungus, *Trichoderma viride* used as a biofungicide and decomposition of coconut waste, diversity of microbial culture, International solar energy, pyrolysis

process, production of hydrogen from banana, conservation of natural resources, development of tribal community and finally he mentioned the how the application of mathematics is helped to detect the migration of birds.

The Research Coordinators interacted with research scholars and asked any issues/ need any assistance/facility for their better research, the following queries raised by the scholars such as,

- 1) The Scholars requested to facilitate a plagiarism check of at least two of their research articles per year at free of cost in our library.
- 2) The Scholars from the Mathematics department requested an enough number of computers since they have six computers in their lab and one is not in working condition and it is not sufficient because there are 19 full time research scholars and 20 part time scholars and also they requested a class room with enough space.

Finally, the meeting was end with vote of thanks by **Dr. E. Prakash**, Assistant Professor of Mathematics and Research Coordinator, R&D Cell, KASC.

Date : 12.5.22
