Dear Madam,

Greetings from Mahindra Pride Classroom!!

Mahindra Pride Classroom (MPC) is a flagship Corporate Social Responsibility (CSR) Livelihood program of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust having its registered office in Hyderabad. Naandi has been partnering with various state governments, corporate houses and international, national development organizations and has been showcasing successful large scale delivery of public services. Services such as elementary education with positive discrimination of girls, safe drinking water and sanitation, large scale cooperative irrigated farming in dry land areas, end-to-end sustainable agriculture in tribal areas, skilling and employment for youth.

As part of our institutional skilling initiative for youth, we have collaborated with some of the finest Arts & Science Colleges, Engineering Colleges, Hospitality Institutes, Polytechnic and ITI's. We provide employability training to the student from less privileged background to bridge the gap between the campus and corporate.

We impart soft skills, life skills, domain skills as well as employer specific skills. The entire programme is *free of cost* since it is part of the CSR initiative of the Mahindra and Mahindra Group.
