Strength :

- Almost all the staff members are PhDs.
- Successfully running Bharathiar University Certificate Course
- Training students in reading and drama skills through Papyrus
- One of the strongest research departments.

Weakness :

- Students from heterogeneous backgrounds.
- First language influence among students is challenging.
- Less number of Scopus indexed journals for literature.
-

Overall View:

- The department is active in teaching and research.
- Extra-curricular activities are carried out.
- The syllabus is updated regularly.
- The workload has been equally distributed.

Recommendations & Suggestions:

- Apply for Mooc projects.
- Multidisciplinary projects and programmes.
- More extension activities - broadened.
- International certification courses - training.
- Department newsletter can be published.
- Another certificate course can be offered.
- Literary journal publication can be attempted.

Strength :

- Students admission
- Teachers role and research, Tutorial system, collaboration.
- Very good working atmosphere in the department
- publications, results and computer facilities
- Students progression and profile very good.

Weakness :
• Students/scholars pass percentage in eligibility tests shall be improved.
• Since it is a research department major and minor research projects are expected from National organizations
• Placement cell and placement/job opportunities should be provided
• Many more programmes may be conducted for scholars and students to improve the discipline and students should be taught about human values.

Overall View:

- Research very good
- UG/Pg admissions, results and attitude is also good
- Teaching staffs are well qualified and capable of handling any subject in math.
- Students Seminars of UG and PG conducted is encouraging.

Recommendations & Suggestions:

- Separate library to the department shall be provided with basic text books and books for general knowledge.
- Students/scholars shall be exposed to handle seminar and class with modern tools like LCD projectors and power point projectors etc.
- Specially PG students are advised to handle few classes in UG students applicable to research scholars also.

Strength :

- provided required facilities in the department
- Teaching staffs well qualified with Ph.D and SET
- Results are very good, major and allied students show very good performance in the exams.
- Students caring and teaching in the class rooms and required lab facilities

Weakness :

- Efforts should be taken to admit more number of
- students, which depends on the department performance
- and job opportunities.
- Exposing students to job oriented programmes.

Overall View:

- The department is well equipped with staffs,
- class rooms and other infrastructure facilities.
- Results and students aptitude are good.

Recommendations & Suggestions:

- In spite of the strength and efforts the student
- admission is poor. Hence, efforts should be taken
- to admit students which depends on various
- factors.
- Creating job opportunities for outgoing students
- and good advertisement will always create demand
- for admission. Happen only through outgoing
- students.
- * Separate pointed may be provided if possible.

Strength :

- PG admissions and research scholars strength very good.
- Research publications and funding from the projects excellent.
- Initiation to set up department library has been taken.
- Awareness program, exam results and syllabus are very good.

Weakness :

- poor admissions in UG level.
- Library facilities in the department
-

Overall View:

- It is a excellent department to pursue PG
- and research programme.
- Though UG admissions are poor in the last two
- years it may be increased by putting some efforts in the coming year,

Recommendations & Suggestions:

- Library facilities may be provided to the department
- separately.
- Since the department involves research/theoretical
- research computer and printer facilities may
- be provided in excess. though instrumental facility is good,
- Staff room facility may be provided

* 1. Excellent 2. Good 3. Fair 4. Satisfactory 5. Poor

Strength :

- Admissions (VA → PA)
- Animal house usage
- very good scope for improvement as all are young faculty
- More guest lectures should be there

V Weakness :

- No smart class
- Funding
- Publications / Research
- No longterm vision ; full time scholars are not monitored / more absence.

C Overall View:

- Scope for improvement.
- Research should be improved
- UG & PG interaction is good.

R Recommendations & Suggestions:

- Modernisation class rooms & lab.
- campus wide wifi.
- Full time research scholars are absent for long.
- Practicals can be more hands on.
- UG & PG Research should be in one building (nearby).
