RESEARCH SCHOLARS MEETING

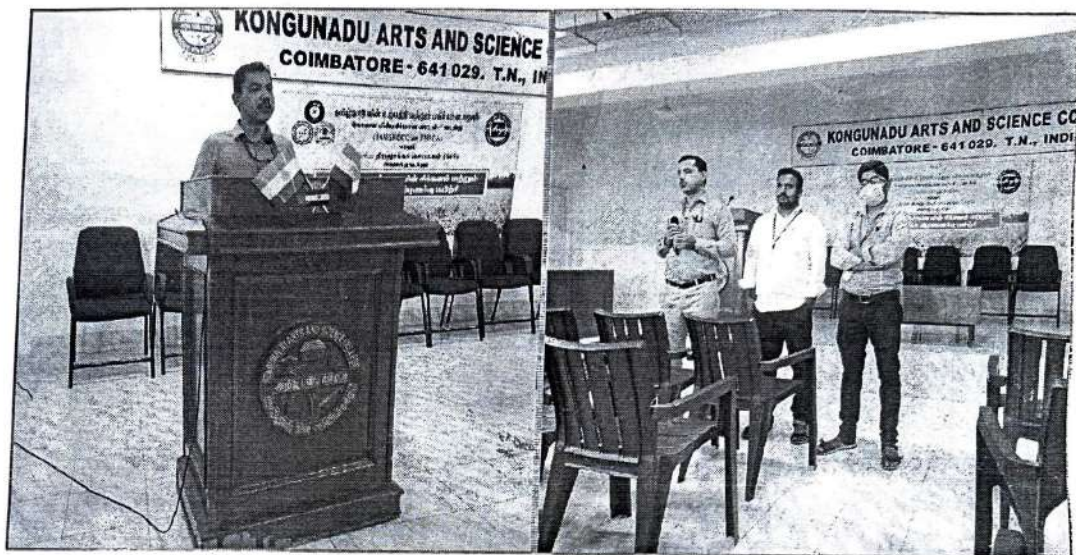

Venue : Conference Hall, KASC
Date : 17.08.2022 @ 10:30 AM

The Research scholar's meeting was organized by Research and Development (R&D) Cell, Kongunadu Arts and Science College (Autonomous), Coimbatore on 17th August, 2022 at 10:30 AM in the seminar hall at our institution.

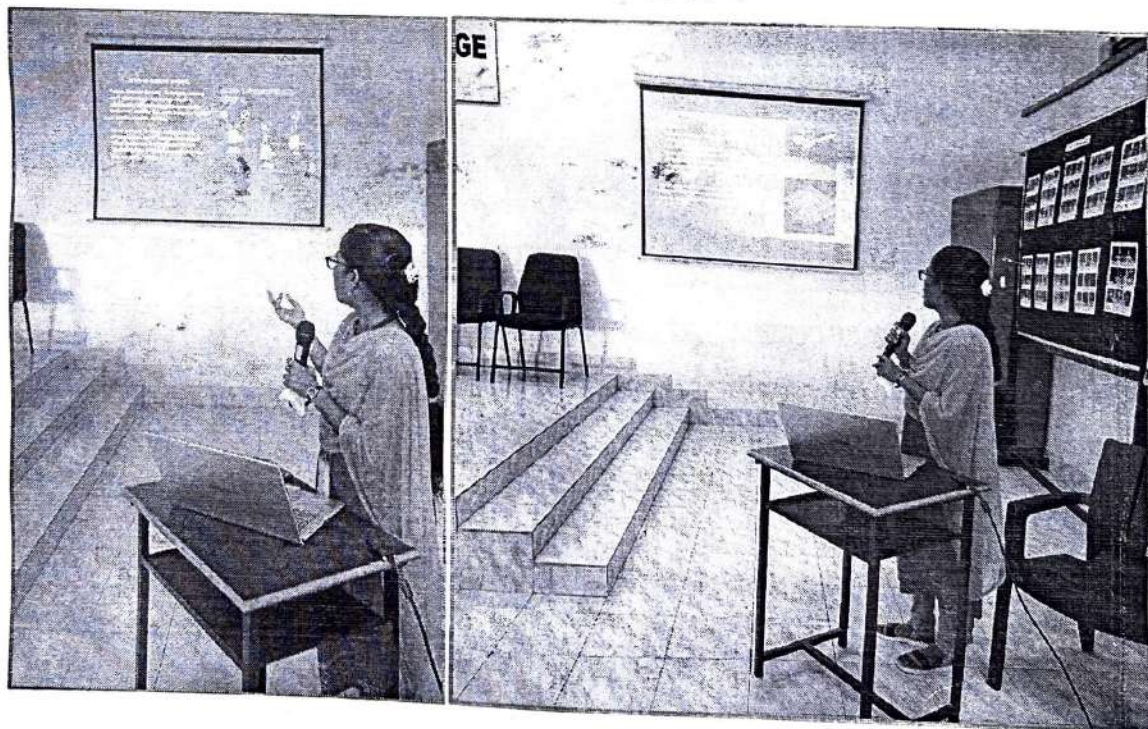

Around 55 research scholars attended the meeting. The meeting started with a welcome address by **Dr. G. Dhandapani**, Assistant Professor in Botany and Research Coordinator, R&D Cell, KASC.

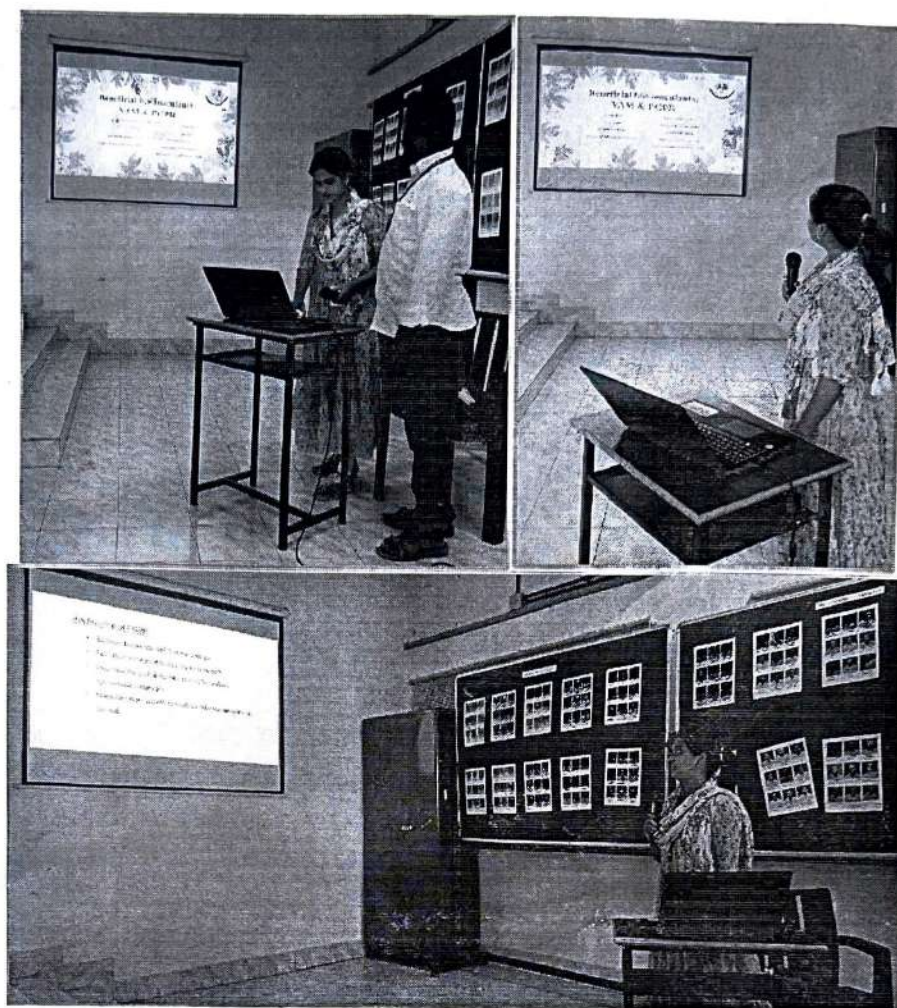

Dr. G. Dhandapani, address the importance of the meeting which organized frequently and insisted every scholar to perform the quality research, importance to collaborate with universities/industry and research institution, mandatory to publish their research work in the reputed international journals, utilizing various research fellowships available from state and central government were also discussed with the research scholars.

Followed by, two research scholars, **Miss. S. Vimal Priya**, Dept. of Botany and **Miss. C. Prasanya**, Dept. of Biochemistry were presented the paper in the research forum. Miss. S. Vimal Priya presented the topic entitled "**Remote Sensing and Geological Information System (GIS)**" and Miss. C. Prasanya presented the topic entitled "**Beneficial Bio-Inoculants: VAM and PGPR**"

The Research Coordinators, Dr. G. Dhandapani and Dr. E. Prakash interacted with research scholars and asked their clarifications and any assistance/facility for their better research, the following queries raised by the scholars such as,

- 1) The scholars requested to facilitate a plagiarism check of at least two of their research articles at free of cost / discount in our KASC library.
- 2) Regarding provision of login id and password for newly joined research scholars for accessing the paid journals.
- 3) Easy accession of the facilities/instruments in other departments.

Finally, the meeting was end with vote of thanks by **Dr. E. Prakash**, Assistant Professor of Mathematics and Research Coordinator, R&D Cell, KASC.

All research scholars attended the session entitled on "A Road Map from Submission to Publication of Scientific Papers" delivered by the resource person of Dr. K. Sowndhararajan, Assistant Professor, Department of Botany, Kongunadu Arts and Science College, Coimbatore. All scholars actively participated and interacted with the resource person and clarified their doubts regarding publication of their research work to the good research articles.

After this session, research scholars asked/requested some of the infrastructure facility for their active research work such as,

1. Access of Wi-Fi connection in the respective Department Research Laboratory.
2. Up gradation of Kongunadu Journal (at least include into UGC care list).
3. Plagiarism software update in the library
4. Common instrumentation lab fees.
5. Sitting rooms for the Research Scholars (Specially Computer Science, Botany departments)
6. Servicing the lab instruments which is hardly necessary for the most of the science departments.

Research Scholar Meeting

On 17.07.2023, Research Scholar meeting was convened and Dr. K. Saminathan, Assistant Professor of Chemistry, Kongunadu Arts and Science College, Coimbatore delivered a lecture on 'I-STEM opportunities to use high-end instruments'. In his speech, he told that it is an initiative of Principal Scientific Advisory Office for Prime Minister. I-STEM stands for 'Indian Science, Technology, Engineering Facilities Map'. Thus it is a network of institutions where high end instruments and other research facilities are available for the benefit of scholars all over India. This set up will be helpful for the young researchers to enable them to find out basic to advanced facilities available in various institutions of India. Kongunadu Arts and Science College received catalytic research grant for skill development of scholars. Using this opportunity, one research article and two patents have been published. Further, he added that every week, our scientist who is maintaining high-end instruments under I-STEM scheme is giving live lecture by online mode for the benefit and interest of research scholars. Totally 55 scholars of all science departments have attended and got benefitted.
