Outcome of the Programme	Students showcased their creative ability by shaping their ideas into models, posters and drawings which helped them to understand the practical applications of the mathematical concepts.
Number of Beneficiaries	116 students

In connection with National Mathematics Day Celebrations 2022, Department of Mathematics, Kongunadu Arts and Science College organized Inter Departmental Competitions on 09.02.2023.

The event ‘Exhibit your Creativity’ was conducted in which students exhibited various Mathematical Models. In the event ‘Carve your Idea’ students showcased their drawings and paintings with the theme related to Mathematics. Posters displaying the mathematical concepts were presented in the event ‘Designers Zone’. Formulae are vital in Mathematics. With the intention of making students remember the formula, ‘Shape the Formula’ event was conducted in which the students presented various formulae in creative manner. Programming tools play a key role in this era of science and technology. ‘Coding Star’ event let the students to design a coding for mathematical problems.

Dr. M. Lekeshmanasamy, Principal of our Institution inaugurated this knowledge fest. Dr. P. Matheswaran, Assistant Professor of Physics and Dr. S.
