

KONGUNADU ARTS AND SCIENCE COLLEGE (Autonomous) Coimbatore- 641029

Environment Day- 06.06.2022

The Department of English (Aided and Unaided) along with Papyrus, Reading and Drama Club of Kongunadu Arts and Science College (Autonomous) celebrated the World Environment Day on 06/06/2022 (5th being a Sunday). The celebrations commenced with a prayer song by Premalatha of 1st M. A. English (Unaided) and was followed by a wonderful welcome speech by Dr. Shobha Ramaswamy, Head, Department of English (Aided).

Next, two original and insightful poems on environmental issues were recited by Likil and Jeevitha of 1st M. A. English (Unaided), which was followed by a short thought-provoking skit by Rudra Ramamoorthy of 2nd M. A. English (Unaided) and Vaishnav of 3rd B. A. English (Unaided).

The celebration was concluded by Jithin Wilson of 1st B. A. English (Aided) with a short speech and a vote of thanks.

**Report of Webinar on “Sanitation and Hygiene” on the occasion
of World environment day, 2022**

Date: 03.06.2022 No. of participants: 134

On the occasion of World environment day, Department of Physics conducted a webinar on the topic “Sanitation and Hygiene”. The inaugural function of the webinar was started with a prayer song. Dr. A. Anu Kaliani, Associate Professor and Head, Department of Physics, Kongunadu Arts and Science College, delivered the welcome address and highlighted the significance of the webinar. With a short introduction of the speakers, the session was handed over to the chief guest Dr. H.B. Ramalingam, Associate Professor and Head, Department of Physics, Government Arts College, Udumalpet. The webinar started with an introduction about hygiene. Food hygiene, good sleeping and eating habits, bathing etc. were discussed. Also, the organized games and good exercises for proper body and mind, care and cleanliness of skin, hair and teeth were elaborated. Followed by the hygiene, a detailed discussion on sanitation was explained. Various waste products, disposal of waste products, solid waste management and treatment of sewage were discussed. The webinar has created awareness among the students and faculties on hygiene and sanitation. The webinar was informative and 134 participants were benefited. Dr. V. D. Nithya, Assistant professor of Physics, Kongunadu Arts and Science College, delivered the vote of thanks.

Welcome address by Dr.A. Anu Kaliani, Associate Professor and Head, Department of Physics, Kongunadu Arts and Science College, Coimbatore.

Presentation by Dr. H.B. Ramalingam, Associate Professor and Head, Department of Physics, Government Arts College, Udumalpet.

08.06.2022 Special Lecture on Water Management

Dr. S. Paulsamy Dean R&D

Kongunadu Arts and Science College

REPORT

A SPECIAL LECTURE ON “WATER MANAGEMENT”

In commemoration with “World Environment Day”, the PG and Research Department of Botany, Kongunadu Arts and Science College, Mahatma Gandhi National Council of Rural Education and Indian Science Congress Association (ISCA), Coimbatore Chapter jointly organized a special lecture on “Water Management” on 08.06.2022 in Kongunadu Arts and Science College, Coimbatore. This program was organized to focus on encouraging and motivating the students and research scholars to create awareness on conservation and management strategies of water resource for future development. The program was started with welcome address by Dr. P. Sumathi, Assistant Professor of Botany of our college. The presidential address was delivered by the Principal of our college, Dr. M. Lekeshmanaswamy. In a plenary session, Dr. S. Paulsamy, Dean, Research & Development of Kongunadu Arts and Science College, delivered a talk on the topic ‘Water management’. In his lecture, he gave crystal clear information about the importance, distribution, sources and usage of water for sustainable environmental growth. Then elaborated the different harvesting techniques of rain water and its traditional approach in Tamil Nadu, and how to rejuvenate the water bodies. By using newspaper clippings, he seeded the knowledge about area – specific rain water harvesting model for irrigation, local-specific water management device for irrigation and ancient rain water harvesting system in Madurai Meenakshi temple. Subsequently, he listed huge information about better prediction of monsoon and Rossby waves. Finally, vote of thanks was proposed by Dr. K. Karthika, Assistant Professor of Botany of Kongunadu Arts and Science College. The programme was ended with national anthem. Total 88 participants attended the programme and got benefit.

KONGUNADU ARTS AND SCIENCE COLLEGE (AUTONOMOUS)

COIMBATORE – 641 029

PG AND RESEARCH DEPARTMENT OF BOTANY

Green Practices 04-11-2022

We, PG and Research Department of Botany, Kongunadu Arts and Science College (Autonomous) have conducted a Meeting on 04/11/2022. The meeting was started with prayer followed by Dr.P. Sumathy, Assistant Professor of Botany welcomed the gathering. Further, Dr. S. Paulsami, Dean R& D and Dr. K. Thenmozhi, Assistant Professor and Head of Botany felicitated the gathering. Resource person Dr. C.Kunhikannan, Director, Institute of Forest Genetics and Tree Breeding (IFGTB), Coimbatore, Tamil Nadu had delivered a special lecture on “Plant diversity in India- A unique biowealth for nation building”. The resource person talked about various categories of plants like cryptogams and angiosperms with statistical data. Resource person explained about the hot spots and different eco systems with suitable examples. Dr. C.Kunhikannan shared his experience on how birds are playing an important role in conservation of plants. Resource person highlighted the importance of Grass family members in terms of major food producers to meet the demand. In addition, the resource person insisted to conserve water bodies to ensure drinking water for everyone. Further, the resource person explained about medicinal and ornamental values of plants. The resource person also talked about the role of Institute of Forest Genetics and Tree Breeding (IFGTB) in plant conservation and breeding studies. Eventually, the resource person shared how plants are playing the major role in maintenance of biological diversity. Students and faculty members were eagerly interacted with resource person and raised doubts were clarified by the resource person. Dr.R.Thirugnanasampandan, Assistant Professor of Botany proposed the vote of thanks. A total of 125 members including faculties, students and research scholars were attended the programme and benefitted. Finally, the programme came to an end with national anthem
