

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning (500 words write-ups with evidence) and soft copies (or scanned copies) of lesson plans for the academic year 2023-2024.

The Department of Computer Science with Data Analytics is at the forefront of innovative and effective teaching practices, leveraging ICT-enabled tools and online resources to enhance student learning and engagement. In today's digital age, we recognize the importance of harnessing technology to create a dynamic and interactive learning environment, with Google Classroom serving as a central platform for our educational endeavor.

Google Classroom has become an invaluable asset in our pursuit of effective teaching and learning. This powerful platform offers a seamless and organized experience for both teachers and students. It allows us to create virtual classrooms where we can post assignments, distribute resources, and facilitate meaningful discussions. This digital environment transcends the traditional classroom setup and offers numerous advantages for our students.

This enables us to conduct quizzes and assignments efficiently. By using Google Forms, we can create customizable and user-friendly assessments that align with the learning objectives of our courses. Students benefit from this approach in various ways. They have the flexibility to take quizzes and complete assignments from the comfort of their own devices, eliminating geographical constraints and promoting accessibility. Furthermore, the instantaneous feedback provided by Google Forms helps students gauge their understanding and identify areas for improvement, fostering a self-directed learning approach. We utilize a wide range of online resources to enrich the learning experience. Our students have access to a plethora of digital materials, including e-books, Notes prepared by faculty, and multimedia content. These resources extend beyond the confines of traditional textbooks, providing students with diverse perspectives and up-to-date information. This approach not only enhances the depth of knowledge but also cultivates digital literacy skills, which are invaluable in today's information-driven world.

The Department of Computer Science with Data Analytics is committed to delivering high-quality education through the thoughtful integration of ICT-enabled tools and online resources. Google Classroom, with its Google Forms integration, stands as a testament to our dedication to enhancing the student experience. By integrating reputable YouTube video Lecture and Animated Video links into our teaching approach, we aim to empower our students with a well-rounded and holistic education. This not only aids in their academic success but also prepares them to be competitive and adaptable in the ever-evolving fields of computer science and data analytics. We remain committed to continuing this practice, ensuring our students have access to the best educational resources available.

<https://classroom.google.com/c/NTIzMDU5MjIxNzU2?cjc=p2i7aa6>

Google Class Room Code: p2i7aa6

The image shows two screenshots of the Google Classroom interface for the class 'III B. Sc CS with DA A'.

Top Screenshot (Stream View):

- Left Sidebar:** Contains navigation links: Home, Calendar, Teaching (To review, Bloinformatics 23-24 Batch A, III EDC Main, **III B. Sc CS with DA A**, II B.Sc CS with DA II Years, Bloinformatics A, II Artificial Intelligence and M... II Year, EDC BCA), Archived classes, and Settings.
- Stream View:** The main area shows a banner for 'III B. Sc CS with DA A' with a 'Customize' button. Below the banner are several cards: a 'Meet' card with a 'Generate link' button, a 'Class code' card showing 'p2i7aa6', an 'Upcoming' card for 'Due tomorrow 2:00 PM - Assignment DDA' with a 'View all' link, and a list of announcements from 'L.Kathirvelkumaran Assistant Professor' including 'DDA Quiz', 'Assignment DDA', and 'Design and Analyse of Algor L...'.

Bottom Screenshot (People View):

- Left Sidebar:** Similar to the top screenshot, but the 'Teaching' section is expanded to show 'III B. Sc CS with DA A'.
- People View:** The main area is titled 'Teachers' and 'Students'. Under 'Teachers', it lists 'L.Kathirvelkumaran Assistant Professor'. Under 'Students', it lists 5 students: '211DA003 G.Pragadeeswar...', '211DA001 K.S.Jithendra', '211DA006 R.Kaviya', '211DA005 S.Aparna', and '211DA002 S.Sriram'.

DDA Quiz

Form description

This form is automatically collecting emails from all respondents. [Change settings](#)

Given G is a bipartite graph and the bipartitions of this graphs are U and V respectively. What is the relation between them?

☐ Number of vertices in U = Number of vertices in V

☐ Sum of degrees of vertices in U = Sum of degrees of vertices in V

☐ Number of vertices in U > Number of vertices in V

☐ Nothing can be said

Subject Name: Major Elective paper II – **Internet of Things**

Subject Code: 21UDA6E2

Semester: VI

Subject Handling Faculty: Mrs R.Vanitha

Google Class Room Link:

<https://classroom.google.com/c/NjQxOTQxMTY2MTk0?cjc=k6s3jlx>

Google Class Room Code: k6s3jlx

The screenshot shows the Google Classroom interface for a class named "III DA - Internet Of Things". The browser address bar displays the URL: <https://classroom.google.com/c/NjQxOTQxMTY2MTk0>. The left sidebar contains navigation options: Home, Calendar, Teaching (with a dropdown arrow), To review, and a list of classes. The class "III DA - Internet Of Things" is highlighted in blue. Below this, other classes are listed: "II nd (DA) cyber security" and "III da cloud computing". At the bottom of the sidebar are "Archived classes" and "Settings". The main content area has tabs for "Stream", "Classwork", "People", and "Grades". The "Stream" tab is active, showing a large orange banner with the text "III DA - Internet Of Things" and an illustration of a coffee cup and a slice of orange. Below the banner, there are several cards: a "Meet" card with a "Join" button and a "Visible to students" link; an "Announce something to your class" card; a card from "Mrs.R. Vanitha Assistant Professor" announcing a new assignment: "IOT QUIZ" dated Mar 25 (Edited Apr 1); and another card from the same professor announcing new material: "Hadoop.... Unit 4". The class code "k6s3jlx" is displayed at the bottom left of the main content area.
