Department of Computer Science (SF)

The Department of **Computer Science (SF)** organized many programmes for the development of the students. These programmes involve both curricular and co- curricular activities. Slow learners and lazy learners are identified by the mentors through constant monitoring of the academic performance with the help of the mentor's Diary. They are given remedial coaching and counselling. Advanced learners are also identified at different stages.

Mentor-Mentee activity is one of the central pedagogical activities of the Department as the student teacher relationship is very significant for an educational institution. It helps the faculty to understand the cultural, economic and social needs of the students. This is essential for helping the students to achieve their dreams and goals. Our Department has arranged a Guest Lecture on the topic of **"How to prepare Aptitude for Placements"** on **25th September 2023**, **Dr. A. Singaravelan**, Assistant Professor & Head, **Department of Mathematics (SF)** was invited as Chief guest. This session was beneficial to mentees as it has helped in improving their skills. Our **60 Students** of I B.Sc Computer Science are actively participated in this session. This session was beneficial to mentees as it has helped in improving their skills.
