Certificate

This is to certify that **Dr. K. Muthukumar**, Assistant Professor, Department of Tamil, Kongunadu Arts and Science College (Autonomous), Coimbatore, Tamil Nadu, India has visited the School of Computing, Engineering & Digital Technologies, Teesside University, Middleburgh and the Department of Humanities and Social Sciences (HASS), University of Exeter, Penryn Campus, Cornwall, the United Kingdom and presented his talk about the socio-economic aspects of algal and graphene-based wastewater remediation and to explore new opportunities for heavy metal mapping in the Noyyal river area in India, between **June 01, 2024 and June 15, 2024**, as a part of the Exchange Visitor Programme, under SPARC India-UK project.

During his visit, he also met various Researchers and Scientists in the Environment and Sustainability Institute (ESI), University of Exeter and Edinburgh, Napier University, Edinburgh, Heriot-Watt University, Edinburgh, Scotland, University of Glasgow, Glasgow, Scotland, University of Westminster, London, United Kingdom, University of Cambridge, Trinity Lane, Cambridge, United Kingdom, Newcastle University, Newcastle, United Kingdom and exchanged the research ideas.

His visit has helped the research community of the above said Institutions and the discussions made would certainly help in making this world nature friendly. I wish to continue our collaboration in our future research works.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Senthilarasu Sundaram', written over a horizontal line.

Prof. Senthilarasu Sundaram

Professor of Sustainable Energy Materials

School of Computing, Engineering, and Digital Technologies

Teesside University, Middlesbrough
