Dear Dr. Sowdhararajan:

I take my pleasure to invite you to visit my laboratory at Nanjing Agricultural University during October 20 to December 20, 2024. I hope that we can take this opportunity to exchange research idea and share our knowledge so that it would be beneficial to bilateral scientific research in development of new weed control technology, and building close scientific collaboration between China and India.

For this invitation, Nanjing Agricultural University will cover your round trip international flight tickets, local accommodation and transportation.

You could conveniently make an arrangement of your visit time. This letter is issued for your application of multiple entry visa to enter China. We will make all the necessary arrangement for your coming and stay.

I look forward to seeing you in China.

Sincerely yours,

Dr. /Prof. Sheng Qiang
Director of Weed Research Laboratory
College of Life Science, Nanjing Agricultural University
