Acknowledgement

I am thankful to a number of individuals in academic circles as well as in industry and Intellectuals who have contributed to this book. Their contributions have been important in so many different ways that we find it difficult to acknowledge them. In particular, we wish to extend our appreciation to my Almighty God, Parents, Secretary and Director Dr.C.A.Vasuki, Principal Dr.M.Lekeshmanaswamy and all our colleagues for their many suggestions on how to improve the presentation and/or the scope of coverage in the book.

Numerous individuals and organizations provided us with valuable assistance during the writing of this book. We also wish to acknowledge other individuals and organizations cited in the captions of numerous figures throughout the book for their permission to use that material. Thanks for all to their creativity, assistance, and patience during the production of this book are truly appreciated.

Ms.N.DEEPA
