The vision of ALERT is to empower common man in India to react and be first responders in case of Emergency situation. During such a situation the emerging youth of the country are the prospective individuals who can contribute to the cause of saving lives.

With these points in mind, ALERT has come up with a pioneering initiative called ALERT GOLDEN ARMY which is a network connecting volunteers, who want to contribute to the cause of saving a life. An army of youngsters who act as Volunteers in case of Emergency and a special clan who become warriors during the golden hour!

Objective:

ALERT Golden Army is a step ahead in Redefining, Revamping and Re-igniting the spirit of an ALERT Volunteer.
