\* 1. Excellent    2. Good    3. Fair    4. Satisfactory    5. Poor

Strength :

- Long history for the Department
- 
- 
-

Weakness :

- Obsolete equipments & teaching aids
- Lack of co-ordination between the Department and Administration
- Lack of SMART classrooms & projectors.

Overall View:

- Significant effort by both the Department and the administration is necessary to uplift the objectives & outcome of the Department.

Recommendations & Suggestions:

- Do a case study with allied Health institutions and offer certificate courses. Ex: Embryology
  - Form a Task force for planning & Execution of the above.
  - Provided 1-2 core/Ancillary Subjects with catchy or Fancy title
  - Breakage amount to be provided to department to carry out equipment repair work.
  - Consumables budget to be increased to purchase fine chemicals
  - Lab upgradation not carried out despite last year's recommendation.
- Enough Projectors are not available - please provide each for the classes.

\* 1. Excellent    2. Good    3. Fair    4. Satisfactory    5. Poor

Strength :

- DBT - Star - Conducted regular training sessions for students.
- Motivated students to carry out the IoT related projects.
- Extra curricular activities for school students and for public.

Weakness :

- Advised to Conduct record the activities which are
- Conducted for slow learners.
- Faculty members shortage.
- Qualified faculty members as per UGC

Overall View:

- Overall is Good. in terms of Curriculum, and activities
- Conducted.
- Mentoring System is Good.
- The department is motivating the students in such a way to start the start-up company.

Recommendations & Suggestions:

- Inviting Alumni as Experts to interact and motivating the students.
- Introduce Job oriented Courses (at least 2) for students to improve the knowledge level on par with industry need.
- To maintain record for the slow learners and fast learners and motivate accordingly.
- Shortage of faculty members to be addressed.
- Steps to be taken for Funding of Research projects
- Steps to be addressed to improve Consultancy & MOU.
- Steps to be taken to Setup IoT Lab.

\* 1. Excellent    2. Good    3. Fair    4. Satisfactory    5. Poor

Strength :

- Well qualified and experience faculty members.
- Course Materials
-

Weakness :

- need some MoU with other institutions.
- Publications.
- Projects.

Overall View:

- The department is doing good for the
- developments of the students.
- more focus on students admissions.

Recommendations & Suggestions:

- need more number of Publications on
- UIC Journals and Books, Web of Science.
- To get department <sup>own</sup> book, Journal Publication
- numbered.
- Focus MoU with other Universities and
- Colleges.

\* 1. Excellent    2. Good    3. Fair    4. Satisfactory    5. Poor

Strength :

- Excellent Scope for the course.
- Appropriate Staff strength,
-

Weakness :

- Less attendance to conferences & Seminars.
- Lagging in Research publications.
- Lack of consultancy, patents.
- Lack of placement activity.

Overall View:

- 
- With proper planning & support, this department
- can be very appealing in terms of income
- as well as societal implications.

Recommendations & Suggestions:

- Expertise to be built up on these fronts.
  - Clinical nutrition
  - Sports nutrition.
  - Household nutrition
- Food Science lab with a lab assistant need to be established.
- Get FSSAI accreditation for the lab to perform food
- safety analysis.
- Projectors & classrooms need to be provided.
