FEEDBACK FROM PG STUDENTS ON CURRICULUM

Dear student,

With reference to the curriculum you are studying, please give your views:

1. Do you consider that the curriculum has relevance to the present period?

Yes, the constant upgradation of the syllabus has made the curriculum relevant to the present period

2. Do you consider that the contents of the core papers offered in your course are heavy? Any suggestion you would like to add regarding this aspect please mention.

Critical essays like Dryden's Dramatic poesy or Tagore's theory of Rasa can be added

3. Do you consider that the syllabi offered by your department contain latest findings in your field?

Yes, the syllabi has the latest findings.

4. If you consider that the present syllabi of core papers contain any irrelevant paper/title/practical. Please mention the same and suggest alternative.

There is no irrelevance in our papers.

5. Do you consider that the sufficient numbers of practicals are included in your syllabi? If not, mention your choice giving reasons.

6. Do you consider that the present curriculum is linked to job market? If you would like to suggest anything regarding this aspect, please do suggest.

yes, the present curriculum is linked to the Job market

7. What is your opinion of the JOC courses offered by the college? Do you think they are useful for future career?

—

8. What is your view of the EDC paper offered by the college?

—

9. By adding the Advanced Learner's Course in the curriculum, do you think that there is scope for brighter students to quench their thirst for knowledge?

Advanced learner's course would make the syllabus more challenging to brighter students

10. Do you appreciate the addition of self-study components in the syllabi?

the aspect of the fools in Shakespeare can be added to the self study session of the Shakespeare paper.

11. Any suggestion you would like to offer for the improvement of the present curriculum, please give.
