THE COLLEGE EMBLEM

The College Emblem is simple in form but attractive and gives the stamp of dignity to the College with an ideal to aim at. The 'hut' represents that many millions of the nation have only humble dwellings. Agriculture is the backbone of our country and the country's phenomenal growth and prosperity depend not only on agriculture but on industry as well. The 'plough' symbolises the agricultural development and the 'wheel' the industrial progress. The 'mountain' represents lofty ideals and noble thoughts; the 'kuthuvilakku' symbolizes knowledge; the 'book' stands for education and the 'veena' for arts. The Nation's advancement is indicated by the symbols in the upper half while the symbols in the lower half signify the growth of the individual as the individual makes the Nation.

The emblem bears the motto **“Knowledge, Culture, Hardwork”**. These three factors contribute to the harmonious and complete growth of an individual.

Vision of the College

Developing the total personality of each and every student in a holistic way by adhering to the principles of **Swami Vivekananda** and **Mahatma Gandhi**.

BRIEF HISTORY OF THE COLLEGE

COIMBATORE, a fast growing industrial hub of Kongunadu had the need for more colleges during the 70s, and this demand was fulfilled on 12th August 1973, the day on which Kongunadu Arts and Science College came into existence.

16th October 1972 is a memorable day in the history of our College. On that day, the Tudiyalur Cooperative Agricultural Services Limited organized a function to celebrate Saraswathi Pooja. (Late) Thiru. V.K. Lakshmanan, M.Sc., (Ex-MLA), a progressive agriculturist and public worker noted for his selfless service and devotion to work and Dr.M.Aruchami, M.Sc., BT., Ph.D., FAZ., FRES (Lond), the present President of our College Council and Committee participated in the function. During the function, both of them expressed their long cherished desire to start a College which was immediately welcomed and endorsed by (Late) Thiru. T.N. Palanisamy, M.A., IC (Dip) USA, the then President of the Thudiyalur Cooperative Agricultural Service.

The eminent Doctor (Late) N.S. Palaniappan, MBBS., DLO., who had a similar idea to start a college on behalf of Anna Memorial Committee in Coimbatore provided active support to this Mission.

Well educated and eminent personalities like (Late) Thiru.N.Kumaraswamy, (Late) Thiru.K.P.Muthuswamy, M.A., Thiru.V.S.Chinnaswami Gounder, (Late) Thiru.S.R.Rathnaswami Gounder, (Late) Thiru.R.Ramasamy, Texmo Industries, (Late) Thiru.M.Subbiah Gounder, (Late) Thiru. C.S.Ramachandran B.A., (Late) Er.K.M.Elangovan, B.E., and the present active member of the College Council and Committee, Er.R.Somasundaram B.E.,FIE., contributed their might in establishing this Higher Education Institution.

The Thudiyalur Cooperative Agricultural Services Limited was munificent enough to donate about Rs.75,000/- which included the dividend of 16,000 farmers. Other generous donors from the agricultural community and philanthropists of Kongunadu also have made valuable contributions.

Dr.M.Aruchami, one of the founders of the College, the first Principal, former Secretary and the present President, a dedicated educationist with his sharp academic acumen, futuristic vision, strong, impartial, transparent and able leadership has guided this Institution to its present state of fame and glory. Er.R.Somasundaram B.E.,FIE., a man of strong and clear convictions endowed with keen sense of imagination and dedication is presently serving as a Member in the College Council and the College Committee and is guiding the institution on the right path. Dr. C. A.Vasuki M.Sc., daughter of Dr. M. Aruchami and alumna of this college, a strong achiever has taken over charge as the Secretary of the College at present.

The College is ideally located in serene and rural surroundings not far from the city. It is conveniently connected with all parts of the city through frequent town buses plying from various destinations. Started in the year 1973 with humble beginnings, the college has grown magnificently in academic stature with autonomous status having 13 research programmes, 12 PG programmes, 27 UG programmes, 4 Diploma, 15 Certificate Courses and 3 PG Diploma. The college is imparting higher education to approximately 5000 students, majority of whom hail from socially and economically weaker sections of the society. More than 60% of the students studying in the college are girls and thus the college is playing a pivotal role in women empowerment and social justice.

The University Grants Commission, New Delhi, conferred the Autonomous Status to our College in the academic year 2004 - 05.

In the fourth cycle of re-accreditation, the National Assessment and Accreditation Council has awarded “**A+**” grade. The University Grants commission has awarded the prestigious award of **College of Excellence** during 2016-2017. The college has been ranked 36 in Indian Rankings 2021 by MoE.

❖ **RULES AND REGULATIONS PERTAINING TO CHOICE BASED CREDIT SYSTEM AND EXAMINATIONS**

Examination Cell started functioning in August 2004, when this College was conferred autonomous status. Since then, Rules and Regulations have been framed based on the recommendations of Board

of Studies, Standing Committee on Academic Affairs, Internal Quality Assurance Cell and Academic Council, keeping in view that they must be student friendly while safeguarding the credibility of the Institution.

Definitions:

Programme	-	Degree (Eg. BA/BSc/BCom)
Programme Name (Branch)	-	The Discipline (Eg. Mathematics, Physics, Commerce, Information Technology)
Curriculum	-	The various subjects that a student should study in a particular Branch
Subject or Course	-	The theory paper or practical that is studied under the curriculum
Credit	-	A unit of measurement based on the contact hours, quantum of the subject matter and complexity of the content.

Choice Based Credit System coupled with Grading, an innovative method of curriculum and evaluation:

This is a modern system introduced in Higher Educational Institutions to keep the curriculum relevant to the demands in Job Market. Students are offered with a choice of a variety of Job-Oriented Courses, Elective Courses and Courses improving soft-skills. They can choose any course of their interest and need during the period of study and earn extra credits and certificates in addition to the regular hard core (compulsory) subjects. Choice Based Credit System is followed in semester pattern.

Under this system, every subject is fixed with certain credit points, based on whether its content is of knowledge, understanding and application oriented as well as number of contact hours allotted. This is done after a thorough analysis of the content of each subject by the Members of Board of Studies.

Outcome Based Education (OBE)

OBE has been adopted in the curriculum and the evaluation system. OBE is meant to be a student centered learning model. The Focus on outcomes creates a clear expectation of what needs to be accomplished by the end of the course. Students will understand what is expected of them and teachers will know what they need to teach during the course. The Knowledge, Skill and Attitude of the students will be improved and the quality of the education will also be enhanced through OBE.

Components of curriculum and particulars of Choice Based Credit System applicable to the students admitted during the academic year for Under Graduate and Post Graduate Programmes as prescribed by Tamil Nadu State Council for Higher Education (TANSCHÉ) & Bharathiar University, are given below:

NOTES

NOTES

What India wants is a new electric fire to stir up
a fresh vigour in the national veins...

Be content to word, and, above all be true
to yourself.

Be pure, staunch, and sincere to the very backbone,
and everything will be all right

Happiness is when what you think, what you say,
and what you do are in harmony.
